Tool Tower

The Huot Tool Tower provides an economical, free standing storage unit for a large range of Tool holders and collet styles. The Tool Tower comes with 3 shelves and if ordered with an additional stacking kit can be stacked to form a 5 or 6 shelf tower, providing a cost effective way to store and protect many tool holders in a compact space. Towers are made from 16 gauge steel and provided with nylon inserts to protect each tool holder/collet.

Individual units are 915mm tall and an optional tool lock tray can be mounted on either side panel.

The Tool Tower should be bolted to the floor for additional security.

Dimensions: W 711mm x D 470mm x H 915mm Weight: 29.5kg
