DESIGN AND BUILD OPPORTUNITY

40,000 sq ft (3,716 sq m) - 80,000 sq ft (7,432 sq m)
of new build Grade A office space

BUSINESS BROUGHT TO LIFE

Up to 80,000 sq ft of premium office space available in Peterborough; one of the UK's fastest growing cities.

PRIME OPPORTUNITY

Located in the heart of the UK, Lynch Wood Park provides high specification office space to a number of occupiers including Diligenta, Kidney Research and Colorplast. In addition, 26,000 sq ft of extensively refurbished office space is coming to market during 2018, meaning tenant numbers will continue to rise.

Surrounded by mature landscaped grounds with a growing onsite community, Lynch Wood Park brings business to life in Peterborough, one of the UK's top commuter cities and has the benefit of a vibrant workforce and a younger working population than the UK average.

What's more, Peterborough boasts unrivalled connectivity and, along with York, was one of the first cities in the UK to obtain an ultrafast broadband network with download speeds of 1 GB.

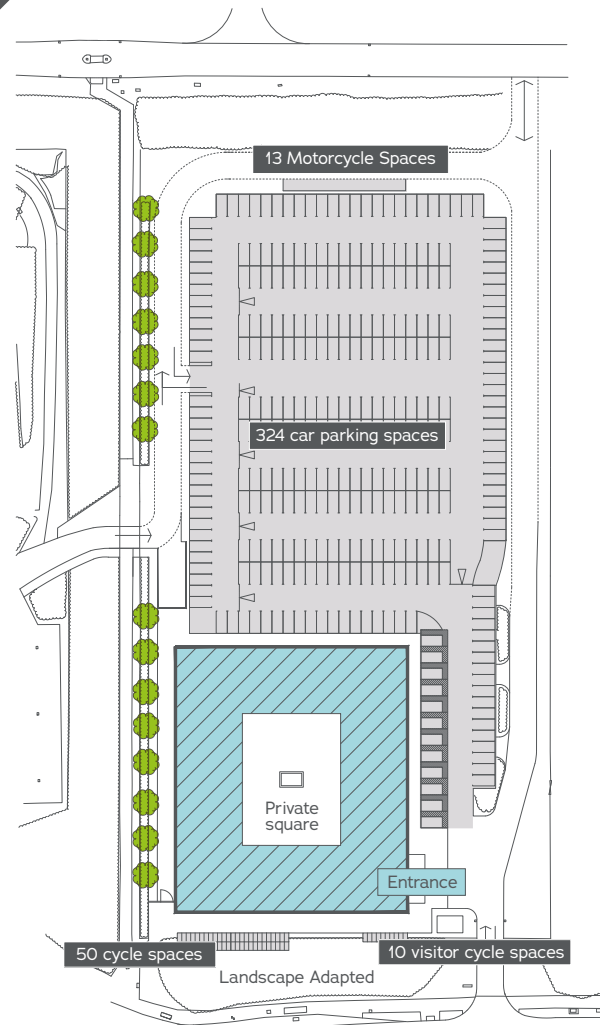

FI Real Estate Management has planning permission to develop up to 80,000 sq ft of office space and a multi storey car park on the site.
