STRETCH CEILING SOLUTIONS

en Art-perforated stretch ceilings is a new product in the stretch ceiling world.

de Die schnitdecken sind eine Neuigkeit in der Spanndeckenwelt.

ru Резные потолки – новинка в мире натяжных потолков.

en The two canvases are fixed at a distance from each other. One canvas is intact, and the second has a perforated pattern.

de Zwei Deckenverkleidungen werden voneinander fixiert getrennt. Eine von denen ist einstückig, eine andere hat ein ausgeschnittenes Muster.

ru Два полотна закрепляются на расстоянии друг от друга. Одно цельное, второе с вырезанным рисунком.

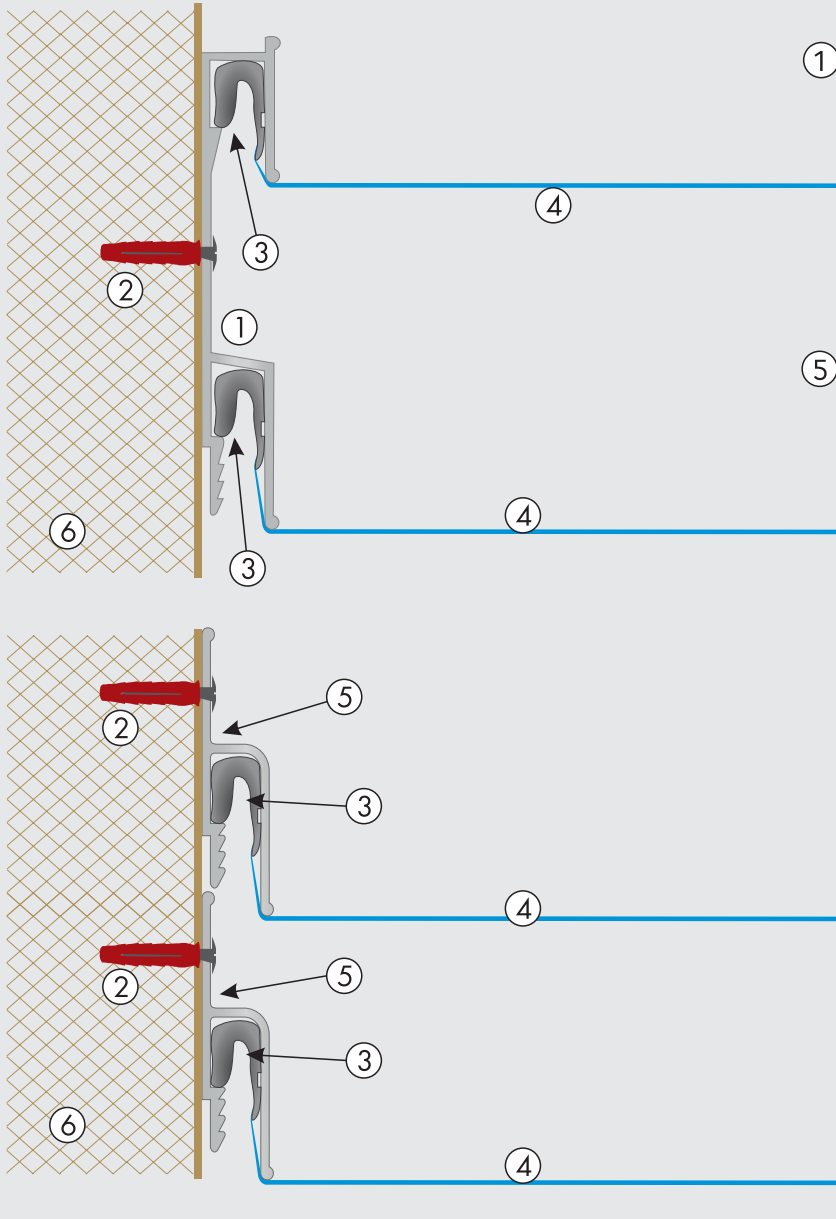

en It turns into the original and modern decoration of a ceiling with a spectacular pattern.

de Als Ergebnis haben wir eine neuartige und trendige Deckengestaltung mit einem eindrucksvollen Muster.

ru Получается оригинальное и современное оформление потолка с эффектным рисунком.

en For installation of the ceilings, we use the profile which allows us to fix parallelly two levels of the ceiling.

de Für Montage benutzt man einen Profil, der zwei Ebenen der Decke parallel fixieren lässt.

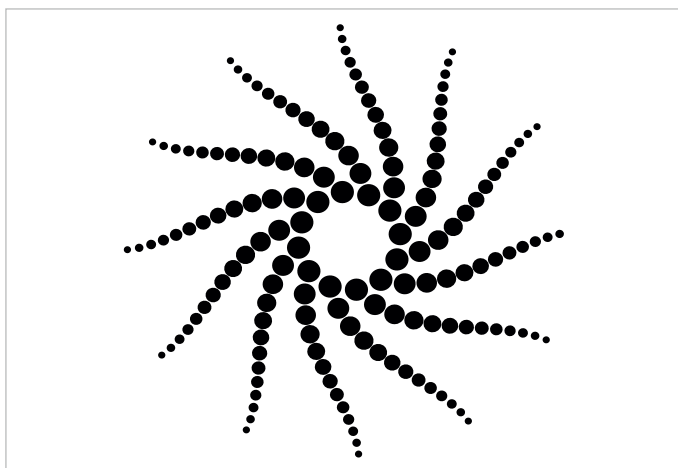

ru Для монтажа используется профиль, который позволяет параллельно закрепить два уровня потолка.
