Enjoy total comfort with a **triple glazed sliding sash**

We are one of only a few companies able to offer triple glazed Traditional Sliding Sash products in both Spiral Balance and Cords & Weights designs.

The Traditional Sliding Sash window incorporates modern high performance and security features without detracting from original aesthetics.

- Concealed Trickle Vent
- Excellent Weather Ratings
- Timber Parting Bead & Baton Rods
- External Putty Line Moulding
- Internal Ovolo Beading
- Retractable Sash Vent Lock & strikeplate

Traditional Range **Cords & Weights**

A pulley & weight system utilising a heavy weight nylon cord on self-lubricating wheels offers a traditional method of operating the window.

Traditional Range **Inline Spiral Balance**

Adjustable Inline balances, available in 4 colour options, conceal the spiral balance operation and are built into the window design as standard.

Excellent thermal values

Our triple glazed Sliding Sash products are manufactured using high performance glazing to achieve excellent thermal whole window U_w values of $1.0 \text{ W/m}^2\text{K}$ as standard. (Krypton glazing U_w : $0.8 \text{ W/m}^2\text{K}$ to special order).

Excellent weather rating

Independently tested to BS6375 the design has achieved an UK Exposure Category of 2000. This consists of 600pa (class 3) for air permeability, 250pa water tightness and 0.8 air leakage.

Bars

Bespoke bar designs are available in 16mm (LT), 25mm and 35mm with the option of a 48mm solid bar.

Obscure glazing

A variety of obscure glazing patterns are available with different designs offering varying privacy levels.

ANGEL VENTLOCK™
Window safety for our children

The Angel lock is fitted as standard to set the night vent position, restrict the lower sashes and provide an additional locking point for child safety.

Finish

Paint It
Introduce a splash of colour with any BS or RAL paint finish to create a truly unique design statement.

Stain It
A wide range of stain options are available combined with clear timber to achieve a seamless finish.

Match It
We can match any Farrow & Ball colour where a traditional finish is desired.
