Chair

exitMASTER[®]

...better prepared

No ordinary challenge, No ordinary chairs...

Time is short and escape is vital but are enough staff available?

With the unique SOLOGo™ technology, evacuation can be effected quickly with just one assistant!*

Use the foot brakes to steady the chair during loading (versa & elite).

Stairblade - unique track system for extra grip & control on the stair.

- ▶ easy transfer with **correct height integral supportive seat**
- ▶ **built in safety** with 150kg capacity and braked wheels
- ▶ passenger comfort and stability with **incorporated foot rest**
- ▶ **instant use wheels** - all four, already in position, for corridors and landings (versa & elite)
- ▶ Easy use **SOLOGo™** concept product with **no kick stand to deploy**

Evacuation Essentials

Making your 'exit strategy' even more effective.

Steel Storage Cabinet

A smart sturdy storage solution for versa and elite evacuation chairs.
Size: 116 x 62 x 28cm (46 x 24 x 11")
Weight: 24kg **Code: EMSC**

Storage Cabinet Lock

Complete with smash-box and two keys, this is specially designed for use with the steel storage cabinet. A great choice for educational and other organisations who don't want their evacuation chairs tampered with.
Code: EMSCL

Security Alarm

Protect your critical evacuation equipment from theft and vandalism with this very effective alarm unit. Compatible with all exitmaster chairs.
Code: EMSA

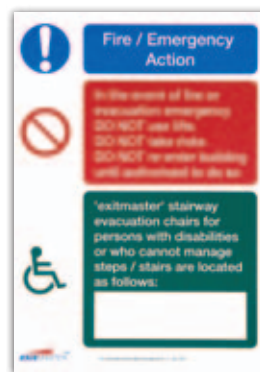

Transfer Board

Assists easy lateral transfer from wheelchair to evacuation chair - solves manual handling issues.
Max capacity 145kg. **Code: EMTB**

Wall Sign

Locate the evacuation chairs - even in the dark. Self-adhesive, photoluminescent sign.
Size: 10 x 39cm (4 x 15")
Code: EMWS

Information Sign

Hardwearing PVC sign to inform staff of evacuation procedures & chair locations.
Size: 28 x 20cm (11 x 8")
Code: EMIS
