

**CTG**

**CORPORATE PROFILE**

Commodity Trading Group Ltd. or “CTG” is financially based in the Cayman Islands. CTG has strategic partners throughout the world specializing in the international trade of bullion/dore, fuels, crude oil, WTI, Bonny Light Crude Oil “BLCO”, D2, D6, Jet A-1 & JP54. In addition we have a division that caters to agricultural commodities such as ic45, ic150 & ic600 sugars, beef, chicken, chicken paws, pork & lamb with over 45 pages of products in our catalogue of offerings. Services involve arranging trading contracts between buyers and sellers.

Our main focus is to assist in arranging buying and selling a variety of products, including bullion/dore, crude oil, refined fuels, meat cuts & sugars on behalf of individual clients. CTG represents both direct buyers and sellers, in international, private, annual contract transactions for a variety of commodities. CTG has strategic partners throughout the world to ensure reliability.

CTG identifies potential buyers and sellers of these commodities. For example, we communicate directly with the oil companies to buy the crude oil for instant deliverance. The basic goal is to bring together qualified real buyers and qualified real sellers of all commodities to assist in the process so that transactions are successfully executed.

The process of buying and selling commodities has a trade language unto its own, at CTG, we understand this language and assist you, the buyer or seller, with a full understanding of the terms, ATS, ATV, BCL, CIF, CIQ, DLC, FCO, FOB, ICPO, IRDLC, IMFPA, LOI, MT700, MT760, MT799 PB, Q&Q, Q88, SCO, SGS, SPA and many others.

We have strong customer service skills, which are paramount as advisors to our clients. We use these skills to manage relationships with clients and persuade them to trust our recommendations regarding the purchase or sale of commodities.

Commodities buyers and sellers often need to understand market terms and trading practices before proceeding with a trading transaction. CTG and its trusted team of advisors provide this information to clients in a clear and understandable manner and answer the questions.

Bankers & Lawyers prepare all, the necessary documentation and relay buy and sell instructions and procedures to both parties to approve and finalize the exchange.

## THE CTG TEAM

L. Winfield Sifton, Partner

Winfield is from the well-known Sifton family of Canadian business. Winfield is carrying on the family style of investments, which have ranged from newspapers, radio stations, real estate & significant overseas investments. Educated in Canada at Lakefield College School, with further education at Queen's University in Kingston, Canada, Winfield graduated with a B.A. (Honors) in Economics. Winfield is a Canadian citizen and has Permanent Residency in Cayman. Winfield owned a Canadian real estate development company and was successful in selling prefabricated buildings to international clients. In many instances securing international payments were securitized by barrels of crude oil. Winfield has taken possession and ultimately sold more than 22 ships carrying over 44 million barrels of crude oil during this process.

Jay Jones, CA, Partner

Jay has a wealth of experience in offshore banking and the alternative investment industry. His operational and client development experience in the industry has made him a recognized leader in offshore financial centers such as The Cayman Islands and Bermuda. His specialist skills include alternative investments; financial analysis; due diligence, financial modeling and asset management. Jay was Director of Operations for the Caribbean at Butterfield Fulcrum where he oversaw operations with approximately 50 staff spanning several offices in the Caribbean. Jay was also the Global Head of Investor Relations at Butterfield Fulcrum and previously served as a Staff Accountant at KPMG.

In addition to the above team, CTG has partners who specialize in certain commodities, whether it be bullion, fuels or agricultural products. These worldwide partners bring a tremendous knowledge and contact base to a particular sought after commodity and assist CTG in delivering and catering to client needs at no additional cost to the client.
