

THE ALPHA ADVANTAGE

1996:

Alpha is first to design an adjustable security solution for six-sided boxes, pioneering a new era in security for retailers.

"We've been using Alpha Spider Wraps to combat organized retail crime. It's proven a very effective deterrent for us."

— Sr. Manager of Investigations, major retail chain

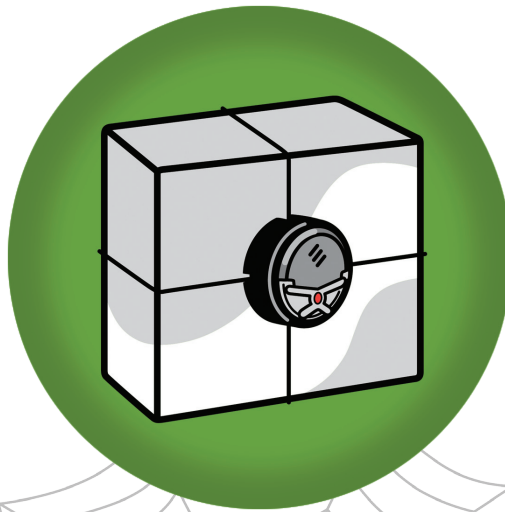

Spider Wraps are used by more than **500** retailers around the world.

CONTINUOUS EVOLUTION

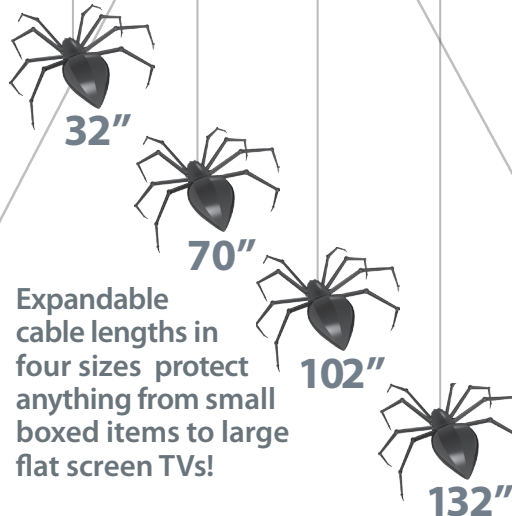

Our newest innovations: a push-button cable release, no-tangle cables, smaller body and a stronger locking mechanism.

SLEEK DESIGN is 15% smaller than the competition to allow for maximum merchandising.

SPIDER WRAPS®

Expandable cable lengths in four sizes protect anything from small boxed items to large flat screen TVs!

Alpha Spider Wraps save you time and labor costs over the competition:
57.8% faster to apply
40% faster to remove

PROVEN!
ROI
 In under 12 months

- Protected speakers with a 95 dBA alarm
- Lithium batteries for years of hassle-free operation
- Internal clutch and easy-to-use flip-up winder for secure fit
- 1, 2, and 3 Alarm options

7x7

strand aircraft grade cable: a pull test strength of more than 430 lbs!

"Spider Wraps help us deliver a better customer experience by allowing us to openly display as many SKUs as possible."

— Associate dealer, Canadian retail chain
