SUMMER 2018

A voluntary association supporting local heritage, quality of life and community

Your membership can make a difference

We help residents have a voice on local matters

We are a non-political, voluntary association of residents in north Weybridge who care about local quality of life, community and heritage. Open to all local residents.

PPDRA originated in the late 1960s in response to traffic plans. We have a very positive record of making a difference on a range of major issues that affect our part of Weybridge:

- **Campaigning against dangerous rat run traffic in our residential roads**, helped get traffic calming measures and a 20 MPH zone (which many residents want extended east of Thames Street)
- **Helped prevent a huge twin loop junction at Walton Bridge**, which would have taken away public riverside land and sent more traffic along Walton Lane and Thames Street and through Portmore Park
- **Worked to overcome obstacles to Broadwater Path** – which gives public access to Broadwater, opening the way for public funding to save the lake from silting up
- **Years of liaising with the Environment Agency** on riverside amenities and flood planning
- **Informed comment** on local planning applications
- **Conducting traffic surveys** to monitor local flows
- **Working with St George’s Junior School** on community relations and school traffic
- **Helping residents communicate with Surrey and Elmbridge Councils** on local issues
- **Newsletters, community meetings, website, and more!**

We request an annual subscription to help cover costs, of £3 per member; £5 per household (or another sum if you wish)

Community Meeting

and PPDR AGM

Meet fellow residents and local councillors

Thursday 13th Sept 2018

7:30 for 8pm

St Charles Borromeo School hall

Christ The Prince Of Peace (Portmore Way)
