Money-Saving Optical Wipes
for Fiber Optic Connectors,
Jumpers and Splices

When You Need Perfectly Clean Fiber Splices and Connectors

ANNOUNCING STICKLERS

Now Get Perfectly Clean Fiber

Featuring Four Unique Packages

Contains 3,200 Cleanings

Contains 400 Cleanings

- *Exclusive, high-modulus CleanWipe™ material won't rip, tear, shred or lint, for the best possible cleaning*
- *Super-soft wiping material won't scratch end-faces*
- *Color-coded CleanSlots™ monitor the cleaning process (see photo, below)*
- *Eliminates static*
- *Eliminates re-cleaning*
- *The larger CleanWipe is perfect for the high-volume, high-speed cleaning required by OEMs making patch cords and jumpers*
- *The smaller package works exactly the same way, but is more transportable, so it's perfect for techs in the field*

STICKLERS™ CLEANWIPES™

Optics, In Seconds, for Pennies

s for OEM and Field Applications

Contains 90 Cleanings

- Optical-Grade lint-free CleanWipe™ for cleaning fiber optic connectors, or bare fiber before splicing
- Far stronger than cellulose wipes, for better cleaning
- Packaging keeps all the CleanWipes uncontaminated during use
- No glues, bleach or lint to contaminate end-faces
- Makes “Wet/Dry” cleaning easy
- Perfect for every benchtop

Contains 1 Cleaning

- One hermetically-sealed CleanWipe™ per packet
- Each CleanWipe stays clean and dry until the packet is opened
- Designed for harsh, outdoor environments
- Fits in tool kits and pockets
- Cleans both simplex and duplex connectors
- Unique design, one-of-a-kind capabilities

CleanWipes™ for the Outdoors	MCC-FA1	50 Packets/Bag	12 Bags/Case

Product Notes

INSTRUCTIONS: See the back panel on each box for detailed instructions.

SHIPPING: All Sticklers™ products can be shipped anywhere, even by air, without hazmat fees or paperwork.

SHELF LIFE: The shelf life for all the CleanWipe™ products is unlimited.

WARRANTY: The warranty for all CleanWipe™ products is twelve months.

RELATED PRODUCTS: "Wet-dry" cleaning produces the cleanest end-faces, so for best results use the CleanWipe™ tools with the **Sticklers™ Fiber Splice and Connector Cleaner** (#MCC-POC03M, shown dampening a Benchtop CleanWipe™ in the photo on the left). This cleaning fluid out-performs old-style alcohol cleaners because it has the proper chemical characteristics (density, viscosity, drying time, etc.) as well as unique packaging, so it can get the job done at the lowest cost-per-cleaning.
