equipment & tools

The
Preparation
Group

Experts in preparing & finishing

The Preparation Group is a market leader in Surface Preparation Equipment, Services & Training. We boast high levels of expertise in all aspects of profiling, removing, polishing & cleaning.

We manufacture machines & tools and offer a range that is easy to use, with dust extractors for a safe & clean operation. We are committed to scaling new heights of innovation, performance & quality. Our equipment is reliable and will stand the test of time to deliver a solid return on your investment.

Our Technical Team can provide on the spot guidance in selecting the right equipment & accessories. We'll assist you in ensuring that your customers receive accurate, honest advice, whatever their project entails, supported by technical documentation and practical Health & Safety information.

Interactive training to equip your team

Our Training Hub Courses are practical & interactive, whether it's learning how to get the best from equipment & accessories, selecting effective dust extraction for the task or basic maintenance. We'll give your team the confidence to select the equipment to do the job and equip them with the necessary skills to give your customers what they need.

Overnight delivery, sometimes same day

The Preparation Group offers overnight delivery nationwide and in some cases the same day, so you can be assured that equipment & tools are always available. A simple call or email to our sales team and we'll do the rest.

We hold large stocks of competitively priced, long-lasting accessories for immediate despatch to suit all makes & models, stringently tested to provide exacting results whatever the job or application.

The only surface preparation company with SafeHire Accreditation

We hold the highly acclaimed SafeHire hire industry certification and are committed to raising standards and procedures in the products & services that we supply. Health & safety, the environment & quality is at our forefront and an emphasis on delivering full customer satisfaction.

Cross Hire for large scale projects

For large scale & long term complex projects, why not cross hire heavy duty equipment. Shotblasters, Planers, Grinders or Multi-Strippers are available, with or without a trained professional operator.

We have one of the largest fleets of 3 phase & ride-on equipment available in the UK and can be onsite next day to suit your customers' project needs. Call our team of experts for a quick solution & competitive quotation.

No agents

Deal with us direct for a personal, professional service and no fuss, cost-effective products & solutions. The Preparation Group are here to add value to your business and to provide maximum returns on your hire investment.

Our aim is to exceed your expectations in everything we do.
