We would like to congratulate our stars of the month: Katherine, Hamis and Joel and thank them for their effort and hard work. To show our appreciation we would like to take our three stars out for a lovely meal. We are looking forward to enjoying more meals together with all of our hard working care staff, as well as knowing you all better.

The office staff would just like to say a massive thank you to all of the carers and nurses who help us when we're in need and continue to get good feedback from our care homes!
