Keep Britain Tidy is an independent environmental charity with three goals – to eliminate litter, improve local places and prevent waste.

We understand that we cannot reach our goals by working alone, so we work with businesses, schools, communities, individuals, government - local and national – and other charities and voluntary organisations.

We know that if people care for the environment on their own doorstep – the local park, the street in which they live, the river that runs through their area – then the environment, the community and the individual will all benefit.

How can we expect people to understand and care about global environmental issues if they don't understand the importance of, or care about, their own local environment?

Keep Britain Tidy is a charity with a wealth of experience and expertise. We have been working and campaigning to eliminate litter, improve local places and prevent waste for many years. We want to share that experience and expertise with others, supporting businesses, communities, schools and government.

We fund our work by offering services and expertise to those who can benefit from them, by delivering accreditation schemes for parks, beaches, schools and public spaces and by developing relationships with partners in the corporate sector to support our research and campaign activities.

INTRODUCTION

Litter is a problem which affects many areas in England; not only does it make an area look unsightly and uncared for, but we know that litter can actually reduce quality of life for local people and communities.

Our eye-catching posters are available to help you tackle the issue and change behaviours within your area. All the posters are available in A4 and A3 and printed on 170gsm gloss paper.

Keep Britain Tidy is an independent charity, which no longer receives funding from government. We rely on your support to continue our work. All income generated from poster sales goes back into supporting our programmes, campaigns and volunteers.

If dog fouling is an issue for you, we have two innovative campaigns available to tackle the issue;

We're Watching You

And

No such thing as the dog poo fairy
