Please note that the above order is to be signed in conjunction with Tigrox Terms and Conditions. Delivery addresses need to be provided in full where necessary. In the case where multiple delivery addresses are required, please ensure that clear instruction is provided to ensure that orders are distributed correctly. All artwork is to be created in accordance with the Tigrox Design Specification Instructions.

Terminology:
Mixed Duplex refers to each alternate side of the banner displaying alternative artwork and design. Side A does not equal Side B
Duplicate Duplex refers to both sides of the banner using the same artwork design. Side A equals Side B
Permanent Installation: Restricts the posts from being removed from the Tigrox Base due to security and Health & Safety reasons
Non-Permanent Installation: Allows the post to be removed from the Tigrox Base
