

## PRODUCT SPECIFICATION - APPLICATION & USE

PRODUCT NAME: **CEMENTOFF**

GENERAL DESCRIPTION: Reddy brown acid liquid.

USE FOR WHICH PRODUCT IS INTENDED: Concentrated cement remover and descaler. Removes cement and concrete films and descales boilers and pipes.

SPECIAL EQUIPMENT REQUIRED: None.

### METHOD AND CONDITIONS OF USE:

FOR WATER METERS: Use a plastic container to hold the Cementoff. Soak the meter parts until the scale has dissolved. Remove and rinse thoroughly with water. Store in a dry area away from the area where the cleaning is done.

FOR CLEANING EQUIPMENT: For heavy deposits of lime, cement or scale apply full strength. Allow to remain for a short time and rinse with water. For light deposits a dilution of 1 part CEMENTOFF to 1 part water is usually adequate.

NOTE. DO NOT use on aluminium, painted enamel surfaces and stainless steel or decorative brass. For cleaning rust from cement - dilute with 4-8 parts water, spray or brush on then rinse with water. DO NOT spray except through equipment designed to handle acids.

METHOD OF CONTROL: N/A.
