Dear Mr Cleary

**AUTHORISATION OF MULTI-PHASE RADIO-CONTROLLED PORTABLE TRAFFIC LIGHT SYSTEMS:
SRL SIGNED DECLARATION OF CONFORMITY - LETTER OF ACCEPTANCE**

Thank you for providing your signed declaration of conformity dated 12 July 2004 on the document titled Portable Traffic Signals Self Certification (document reference: Highways Agency 027/008/000024), which consists of Part A Declaration of Conformity and Part B Statement of Compliance to the Essential Criteria.

I confirm that your signed declaration is accepted as evidence that your multi-phase radio-controlled portable traffic light system, referred to as The Product, meets each of the Secretary of State's requirements as set out in document 'Highways Agency 027/008/000024' - Part A and Part B.

Accordingly, this letter and the appended signed document 'Highways Agency 027/008/000024' together, formally confirms the Secretary of State's approval, in accordance with the Traffic Signs Regulations and General Directions (2002), for the purposes of allowing your Product to be lawfully used forthwith on the public highway. The Product, which provides one signal head per approach, is for the purposes of controlling traffic at road works, other than on motorways, in accordance with relevant Departmental Traffic Advice and/or Traffic Directions.

Specifications TR0111 and TRG0500 do not apply to this Product approval based on 'self certification'.

Yours sincerely

(Signed by the authority of the Secretary of State)
