

“Parent Toolkits”

Free autism training from The Autism Group

Featuring:

1 Understanding behaviour

Making sense of sensory differences

How to respond when challenging sensory experiences impact on behaviour.

Thursday 14th September, 6.30pm to 8.30pm

2 Misbehaving or Misunderstood?

Finding a way through the social communication maze

How improved communication can have a positive impact on behaviour.

Wednesday 27th September, 10am to 12 noon

WHERE?

All sessions at
Braywick Heath Nurseries,
41 Braywick Road,
Maidenhead. SL6 1DX
(Next to Toby Carvery)

† Suitable for anyone living and caring for someone newly diagnosed with autism, those facing new life stage challenges or simply wanting to refresh their knowledge and understanding.

† Two-hour sessions offering information, ideas and widely tried and trusted strategies designed to equip carers with the knowledge and confidence they need to better respond to the needs of people on the spectrum.

† Interactive sessions delivered in a friendly, relaxed style by qualified autism professionals who can also share their own experiences as parents of people on the spectrum.
