## Exercise Books and Refill Pads to support students with Dyslexia

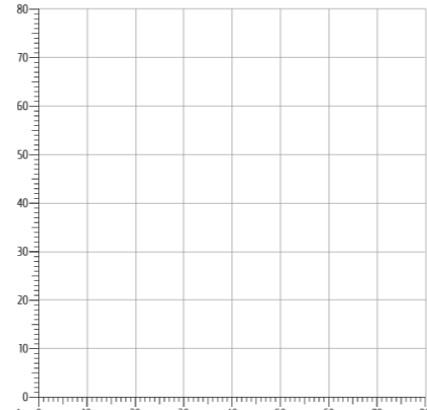

Our range of special requirements exercise books are designed to support students with dyslexia and other related conditions. The specially chosen pastel colour paper reduces the visual stress of standard white stock, and facilitates ease of reading. Densley packed fibres reduce the risk of ink showing through on the alternate side, providing a clean smooth matt finished surface on which to write. There's a choice of lined or squared rulings in a selection of hard-wearing coloured covers, so there's a book for all subject matters. Our A4 refill pads are an ideal solution for older students.
