

CALLING ALL ASPIRING ENGINEERS!

THE ENGINEERING COLLEGE OPEN DAY - TUESDAY 07TH MARCH

The Engineering College is opening its doors to prospective learners, schools, parents / guardians and employers and inviting you to join our team on Tuesday 07th March, from 1:00pm to 7:00pm!

Our highly experienced Recruitment Team will be on hand to provide you with information, advice and guidance around the range of Engineering based programmes available at The Engineering College, alongside our dedicated and experienced teaching staff; over 90% of whom have joined us direct from industry.

An invitation has been sent out to over 40 schools across the Liverpool City Region and our team are developing a number of engaging activities to get young budding engineers talking about engineering.

There will be a number of guided tours around our state-of-the-art facilities - a chance to see our newly refurbished Mezzanine workshop space, fully equipped with new CNC machinery, and our highly regarded Pipefitting workshop!

There will also be an opportunity to meet with a number of local employers, renowned for their work in the engineering industry!

If you are a school and would like to bring a group of students to attend our open day, please confirm via email to o.weston@theengineeringcollege.co.uk by 4:30pm on Tuesday 28th February

If you are an individual or parent and would like to attend this event, please confirm your interest to info@theengineeringcollege.co.uk, on 0151 666 1028 or via our eventbrite page before 4:00pm on Monday 06th March.

ENGINEERING PATHWAYS

Traineeship

Apprenticeship (Advanced / Higher)

Fabrication Welding
General Welding
Mechanical Engineering
Mechanical Maintenance
Mechanical Electrical
