NLL 332+102
102 pack = drive board & tank

The Loline range of low profile floorcare machines has been developed to meet both the growing demand and need for a choice of models that are smaller in size, lighter in weight, compact and convenient in storage whilst, at the same time, being quick and easy to use without loss of performance. A 33cm (13") brush, pad drive, and tank allows the machine to be used for all of the primary floorcare functions. With a total weight of only 18Kg and an operating speed of 200rpm the machine literally exudes convenience and versatility. Fast and user friendly like never before.
