

COMPANY STATEMENT

QUALITY

J Wareing & Son (Wrea Green) Ltd assure our customers that we will continue to strive and maintain our good name that the founders worked so hard to create. We will continually review our processes & procedures so that the best possible service is supplied to our valued clients to ensure that they continue to return and recommend us to others.

HONESTY & INTEGRITY

The company is firmly committed to being open minded and honest in dealings with our customers, suppliers and our employees. We are determined to be the best at what matters most and take pride in everything we do.

TEAMWORK

A key part in reaching our goals is to ensure that our staff reach theirs. We work together as a team to achieve the best results for our customers. We always encourage personal development & training and recognise & reward outstanding performance.

HEALTH & SAFETY

We pay attention in focusing on the health and wellbeing of our employees, the environment and our customers & communities where we do business. Always providing adequate equipment & training for a safe working environment.

INNOVATION

We are constantly looking for ways to transform and improve our company. We embrace change as an opportunity to look to the future of the company and ensure organisational goals are met.
