Full aims of WWSET's Premier League Kicks sessions are to:

- Increase playing, coaching and officiating opportunities in football and a range of sports;
- Enhance physical and mental well-being including self-esteem, ambition and social skills;
- Strengthen our community by promoting and facilitating a culture of volunteering & social action;
- Support education, training and employment pathways;

Work in partnership with stakeholders to support the younger generation with the societal challenges they face (eg youth violence);
 Improve community safety;

- Inspire young people to develop positive, supportive relationships with one another and the authorities;
- Promote integration and champion equality, diversity and inclusion.
