IMCAS

Shape the future of aesthetics

Welcome to the 22nd edition of
IMCAS World Congress 2020!

IMCAS congresses strive to provide a unique pedagogical approach, for we understand that though absorbing and acquiring technical skills is important, what differentiates practitioners who merely follow trends from those who shape the future involves a constant reviewing and challenging of existing knowledge.

Our team has worked tirelessly with the world-renowned faculty of 900 speakers, along with the numerous partner societies from around the world to present an international medical congress that embraces the junctions and differences in dermatology, plastic surgery and aesthetic science. The scientific program reflects this collective effort, covering 15 key themes with sessions regrouped into topic series for an in-depth immersion into a core subject.

Start off your 2020 practice with new topics such as the Artificial Intelligence (A.I.) and robotics. Advances in diagnostic algorithms, sophistications in surgical robotics, imaging technologies for accurate and affordable scans, and other technological developments all serve as examples of the emerging revolution that will change the practice itself. The sessions of this series aim to provide insight into how A.I. and robotics can specifically apply to aesthetics, what technologies are currently available, and what it entails for physicians and patients in their everyday interaction.

Two major LIVE events await you this year, showcasing a simultaneous transmission and screening of live cadaver dissections alongside live procedures on a patient.

The Anatomy on Cadaver Workshop on Thursday focuses on the anatomy and techniques pertaining to injectables and threads, as well as echographic scanning to avoid danger zones. The Live Aesthetic Surgery Course on Friday, open to plastic, facial plastic and oculoplastic surgeons only, follows a range of different surgical procedures performed live, juxtaposing with the anatomy of the relevant areas. This live surgery course is endorsed by the International Society of Aesthetic Plastic Surgeons (ISAPS), setting the guidelines for safe and effective procedures.

At IMCAS, we believe that shaping the future of aesthetics manifests through an international and intergenerational discussion, giving voice to the future generation of

physicians. The Young Physician Day is designed to encourage the new generation to learn from veteran experts, and incite them to present their clinical cases to a high-profile jury of experts. This is an excellent opportunity for them to learn from each other, and push the boundaries of their common perception.

We understand that with such a large selection of sessions, it's impossible to be everywhere at the same time. For those who missed a session or wish to re-watch a course, the e-learning platform IMCAS Academy offers you a rich library of over 4,300 presentations from IMCAS congresses past and present which you can watch anytime, anywhere at your own pace. Be sure to download the free app, and visit the Academy Booths to learn more about the special congress rate for a premium membership.

Practitioners travel far and wide from over 112 countries to meet and exchange with others in their field, so we feel it's important to provide an experience that is rigorous in its educational approach all the while interspersed with moments of conviviality and fun. With this in mind, we have organized two social events, the Networking Cocktail and the Gala Dinner, for you to unwind and add another level of richness to your congress experience. We hope to see you there.

As you browse the pages of this program and take a close look at the details of the scientific program for the three days, you will discover the exhaustive scope of the educational material for IMCAS Annual World Congress 2020. Aesthetics is a field of rapid evolution, constantly redefining our notion of youth and age. Not only are you a part of this profession, you are also the motor that drives its progress.

Let's shape the future of aesthetics in Paris.

Benjamin Ascher

Meeting

your educational needs

Sonia Ascher
IMCAS CEO

STEP 1 – SETTING A CLEAR OBJECTIVE

The ultimate objective of our congresses is to deliver the most updated scientific content for participants' successful practice, and the communal progress of all disciplines related to dermatology, plastic surgery and aesthetic procedures. With this in mind, each year the Scientific Board and team conducts an exhaustive analysis to determine the new educational needs of physicians and practitioners.

STEP 2 – SEEKING OUT THE NEEDS

The IMCAS Scientific Board studies the feedbacks and evaluations from participants, and combs through the current publications in peer-reviewed journals to identify the subjects necessary in real-life practices to reinforce the professional development of attendees with latest educational updates.

STEP 3 – STRUCTURING THE PROGRAM

Once the needs are identified, the IMCAS Scientific Board works closely with learned societies and peer-reviewed journals to establish the framework for each session, making sure the recent developments of each theme are presented by prominent experts through innovative and dynamic teaching formats. The sessions are further strengthened through abstracts received. At IMCAS World Congress 2020, more than 800 physicians are orally lecturing or presenting a digital paper. 350 of them are officially invited by the Scientific Board, 300 are given a contributing talk after having submitted an abstract, and 150 are industry speakers.

STEP 4 – ACKNOWLEDGING ANY CONFLICT OF INTERESTS

A Conflict of Interest is a situation in which a speaker has an interest (financial or other) that could be seen as distorting his/her motivation or presentation in any way. Scientific lectures are presumed to be based on objective interpretations of evidence and unbiased interpretations of facts. The integrity of our conference requires all speakers to disclose any potentially distorting influences before and during their lecture. The audience may then judge and, if necessary, make allowances for the impact of bias on the information being presented. In general, safest and most open course of action is to disclose activities and relationships that, if known to others, might be viewed as a conflict of interest, even if speakers do not believe that any conflict or even bias exists. This is why each speaker is asked to display his or her disclosure slide before beginning to lecture.

What if the speaker declares 'no Conflict of Interest'?

Neither the speaker nor any member of his/her immediate family has a significant financial arrangement or affiliation with the product, device or company involved in the congress nor any potential bias against another product, device or company.

STEP 5 – ASSESSING BUSINESS ETHICS

IMCAS is a private corporation and as such is a profit-seeking business. But IMCAS is also conducting educational activities for healthcare professionals and as such business ethics is mandatory.

Addressing business ethics issues in any organization starts with complying with relevant laws and regulations but we all know this is far from being exhaustive. Higher standards obviously apply to healthcare professionals:

- in regards to doctors, medical ethics put patient welfare first and anything that interferes with this primary aim, particularly personal gain, is deemed a conflict of interest (COI – please refer to step 4)
- in regards to corporations, precise line-drawing is not fixed yet. Will it one day?

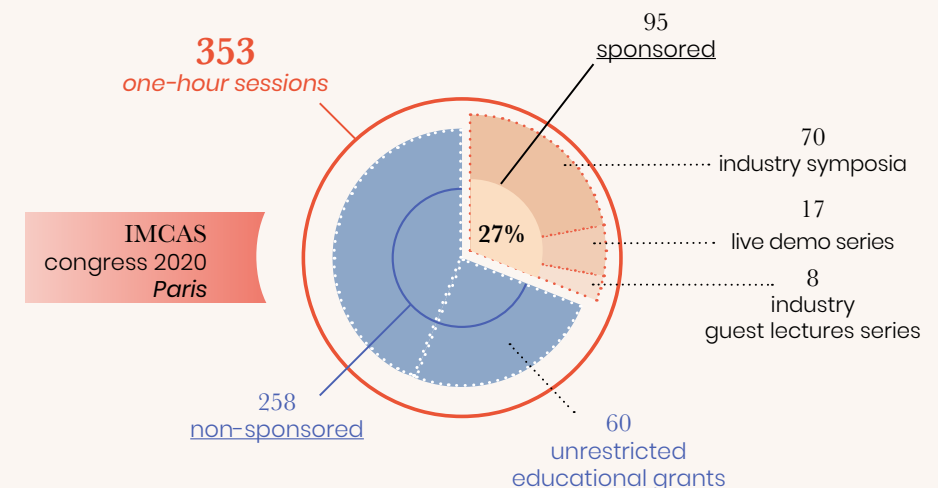

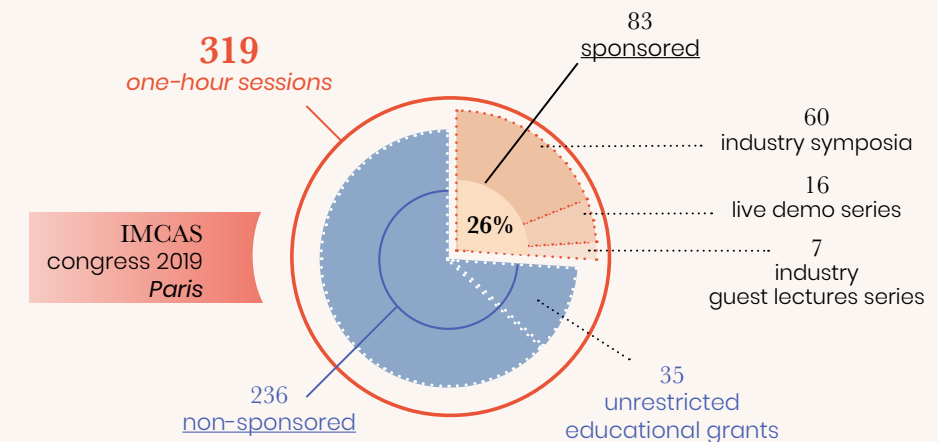

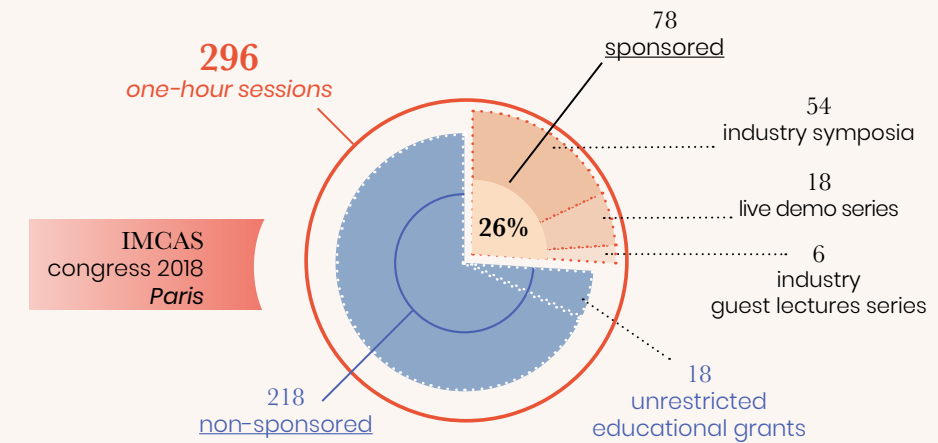

On its side, our management is constantly building a guide of principles designed to help our team of professionals conduct business with honesty and integrity.

To ensure the delivery of a high-quality program content, we enforce equal treatment towards doctors and sponsors, whether "big or small", and towards other influential corporations. As an example, two years ago, we launched a new platform for our industry partners who were sponsoring our event and wished to place an order. At that time, equal opportunities for companies seemed a difficult feat. Today, however we can assure you that fair treatment is becoming a standard.

As our congresses continue to grow in size and spectrum, or main goal continues to be the satisfaction of our attendees. This is made possible through a thorough delivery of the most current and accurate scientific content.

Is there a dilemma that exists between this mission statement and gaining revenue?
To us, no. Business, ethics and profit: we sincerely think they are compatible.

In an effort to adhere to our mission of providing objective medical sessions while accommodating an ever-increasing body of attendees, IMCAS works diligently to maintain a strict distinction between the scientific and commercial content. The figures below demonstrate that while the scale of the congress and number of sessions grow: sponsored activities are never more than a small percentage within the program, and the unrestricted educational grants play a major role in preserving objectivity within the scientific program.

IMCAS 2020 GALA DINNER

IMCAS 2020 GALA DINNER

v17_grid_paris_08_01_2020

Key themes of IMCAS...

The key themes of IMCAS encompass major fields of studies in aesthetic practices and serve as our foundational base when creating the scientific program for congresses. Each theme has been selected based on their significance in aesthetic practices, taking into consideration the educational needs of our participants in their professional lives. For this edition, the 15 themes are reflected within several topic series made easy to follow for a more profound learning experience. Continue to the next page for the descriptions of each topic series.

- BODY SHAPING
- BODY SURGERY
- BREAST SURGERY
- CELL THERAPY, REGENERATIVE & FAT GRAFTING
- CLINICAL DERMATOLOGY & DERMATOLOGIC SURGERY
- COSMECEUTICALS & NUTRACEUTICALS
- FACE SURGERY
- FUTURE TECH
- GENITAL TREATMENTS
- HAIR RESTORATION
- INJECTABLES
- LASERS & EBD
- PEELINGS, MESOTHERAPY & NEEDLING
- PROFESSIONAL BUSINESS
- SUSPENDING DEVICES

... regrouped in topic series

Follow along the topic series of your choice and optimize your 3 learning days

- AI & ROBOTICS
- CLINICAL DERMATOLOGY
- COSMECEUTICALS
- GENITAL TREATMENTS
- GLOBAL MARKET SUMMIT
- HAIR RESTORATION
- IMCAS SURGERY
- LIVE AESTHETIC SURGERY
- LIVE ANATOMY ON CADAVER WORKSHOP
- MALE AESTHETIC TREATMENTS
- NEW TECHNOLOGIES AND R&D
- PRACTICE MANAGEMENT
- PRP & LIPOFILLING
- REGIONAL MASTERCLASS
- THREADS
- TOXINS
- YOUNG PHYSICIANS

EDUCATIONAL GRANT (UNRESTRICTED)

A grant is a financial donation from a company to support a project or program. An unrestricted grant allows the IMCAS Scientific Committee to control and develop the scientific content, and as such, sessions under an educational grant are eligible for CME accreditation. This edition of the Annual World Congress proposes 353 one-hour sessions, integrating into the program 60 educational grants. Take a look on the following pages for the list of granting companies for this congress.

ARTIFICIAL INTELLIGENCE & ROBOTICS

4 learning hours

COORDINATORS: B.ASCHER, B.HERSANT
CHAIRS: H.CARTIER, S.GARSON

IMCAS brings together the leading experts in the field for sessions designed to explore the role of AI & robotics in aesthetics, clinical dermatology, minimally invasive treatments and surgery. Discover the products already available in the market – smart diagnostic software, advanced imaging technologies, robot-assisted surgical instruments – and discuss with the pioneers what implications these technological advancements have for the future.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:

FOTOFINDER SYSTEMS GMBH, MILESMAN, QUANTIFICARE, UNIVERSKIN SAS

CLINICAL DERMATOLOGY & DERMATOLOGIC SURGERY

28 learning hours

COORDINATORS: H.CARTIER, S.DAHAN, M.HAEDERSDAL, A.LE PILLOUER PROST, M.NESTOR
CHAIRS: O.COUREL, A.LALLAS, T.LOTTI, A.WOLKERSTORFER

Bolstered by the crucial inputs from the scientific societies and the prominent specialists leading the courses, the Clinical Dermatology sessions explore pathologies and skin diseases that require surgical and aesthetic interventions all three days of the congress. Follow along the series to discover the latest developments made in the prevention, diagnosis and treatment methods.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
ALMIRALL SA, AQ SKIN SOLUTIONS, BEIERSDORF, CROWN / BELLUS, CANTABRIA LABS

COSMECEUTICALS

8 learning hours

COORDINATORS: H.ADHOUTE, D.DU CREST
CHAIRS: V.BUCAY, D.TOBIN

Based on recent advances in young and aged skin, skin microbiome research, the medical and scientific experts review the safety and efficacy of cosmeceuticals, ingredients and home-use devices, covering from preventative procedures, routine skincare to post-treatment care. Find out to what extent the claims for clean beauty ingredients are true, and tune into panel discussions on the pros and cons of nutraceuticals, probiotics, clean beauty and parabens.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
AQ SKIN SOLUTIONS, CROWN / BELLUS, CANTABRIA LABS, SKINCEUTICALS, UNIVERSKIN SAS

GENITAL TREATMENTS (MALE & FEMALE)

12 learning hours

FEMALE GENITAL COORDINATORS: N.BERRENI, P.MARES, M.NUWAHID (GYNECOLOGY), M.BRAMBILLA, B.HERSANT, J.P.MENINGAUD (PLASTIC SURGERY)
MALE GENITAL COORDINATORS: E.LESHUNOV, B.MOLE

The courses of this series examine new surgical and non-surgical intervention options for both male and female patients. The world-renowned faculty discusses how to better understand patient demands and the medical techniques to deliver the best results for aesthetic and functional corrections. During the second half of the series, the experts tackle safe and smart strategies for cosmetic, plastic and dermatologic surgery for genital treatments, and give the updated tips and tricks to managing complications that may arise.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
AQ SKIN SOLUTIONS, CANDELA, LABORATOIRES VIVACY, RENAISSANCE, ZIMMER MEDIZINSYSTEME

GLOBAL MARKET SUMMIT

8 learning hours

COORDINATORS: H.ANTUNES, B.ASCHER, M.AVRAM, L.BRONES, T.CHIGNON, D.DU CREST, S.ECKHOUSE, A.ORTIZ

IMCAS gathers the industry leaders and physicians to head the sessions presenting new research, technologies and developments from the market. The three-part Global Market Summit is a must-attend series for attendees who wish to reap the benefits of the fast-paced medical aesthetic market, with introductions of up-and-coming start-ups, market mergers as well as investment opportunities and strategies.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
SHARK TANK SESSIONS: CUTERA, GALDERMA, NEXTMOTION, REVANCE, SOLTA MEDICAL

HAIR RESTORATION

8 learning hours

COORDINATORS: P.BOUHANNA, V.DESAI, S.VANO GALVAN

The full-day dedicated to Hair Restoration brings together prominent international experts who cover the fundamentals in diagnosis, patient evaluation, building towards new therapies to treat alopecia areata, scarring alopecia, and recent findings in PRP and SVF for hair regeneration. In the afternoon, the courses delve into new developments in surgical FUE & FUT techniques, managing complications, and future options such as trichopigmentation and robotic hair transplant.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
AQ SKIN SOLUTION, DTS MG

COORDINATORS: IMCAS SURGERY: S.GARSON
RHINOPLASTY: J.CALVERT, O.GERBAULT

Take advantage of the three-day surgical trainings and explore a wide variety of sessions dedicated to face, breast and body surgery. Focus on the face and breast operations on the first day with a special emphasis on rhinoplasty. Experience the dexterity of the performing surgeons firsthand during the Live Aesthetic Surgery Course on the second day; and delve into buttocks augmentation, facelifts and body contouring on the final day.

Endorsed by ISAPS
COORDINATORS: S.GARSON, F.NAHAI, M.ROUIF

This full-day didactic course provides the best instructional techniques to achieve optimal aesthetic results. Live surgeries are performed simultaneously alongside cadaver dissections for a step-by-step 360° surgical approach. The comprehensive anatomical review and use of new technologies are aimed at providing specialists the best training. Experts also discuss the latest and controversial surgical procedures and highlight the recommendations of international institutions and worldwide scientific societies.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
ALMA, APYX MEDICAL, MICROAIRE

LIVE ANATOMY ON CADAVER

8 learning hours

COORDINATORS: B.ASCHER, P.KESTEMONT
CHAIR: S.COTOFANA

Watch the experts perform LIVE aesthetic procedures such as injections and thread lifting alongside LIVE cadaver dissections of the designated areas. The workshop also incorporates mapping of the echographic anatomy to allow attendees to visualize the techniques simultaneously with the anatomy underneath so that practitioners may update their skillsets and deepen their knowledge on the danger zones to avoid.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
BIOXIS PHARMACEUTICALS, LABORATOIRES FILLMED, LABORATOIRES VIVACY, LG CHEM, MERZ AESTHETICS, RELIFE, SINCLAIR, S&V TECHNOLOGIES, SOFTFIL, TEOXANE LABORATORIES

IMCAS SURGERY

*IMCAS Surgery session access is restricted to Board Certified Surgeons: Plastic Surgeons, Facial Plastic Surgeons, Oculoplastic Surgeons and surgical residents. The sessions are held on LEVEL 3.

MALE AESTHETIC TREATMENTS

4 learning hours

COORDINATORS: D. DE LACERDA, T. RAPPL

As the stigma for plastic surgery and aesthetic treatments decline, the number of male patients seeking procedures has seen a significant growth, creating a greater need for professionals to understand not only their demands but also how their physiology differs from female patients. Follow this series for a thorough look at how to get the best results in minimally invasive corrections, body contouring procedures and genital treatments for male patients while keeping in mind the attributions specific to men.

NEW TECH AND R&D

3 learning hours

CHAIRS: G. BEILIN, D. GOLDBERG, F. FRITZ, H. LAUBACH, N. SADICK

Find out about new advancements happening in the industry. The New Tech sessions showcase brand-new products that have been released in the market for less than 18 months while the R&D sessions gives a glimpse of the research and evaluations for innovative treatments still in their development process.

NEW TECHNOLOGIES SESSIONS:
ADVALIGHT, APTOS, CANTABRIA LABS, DEKA TECHNOLOGIES, DERMALUX LED, PERFECTION TECHNOLOGIES, LABORATOIRES RENOPHASE, SKINCEUTICALS, SOFWAVE MEDICAL, TOSKANI

R&D SESSIONS: CROWN / BELLUS, SNU

PRACTICE MANAGEMENT

8 learning hours

COORDINATOR: D. ABEL

At the digital age where marketing is key in attracting new patients, mastering the tools has become a core element for success. Are my records and data safe from cyberattacks? Should I communicate online? How do I generate more activity on social media, and which social networks should I use in 2020? How can I have a loyal patient base? How can I efficiently manage my online reputation? These are few of the questions the Practice management series addresses to provide various tactics and strategies that can be adapted and applied to private practices.

PRP & LIPOFILLING

14 learning hours

COORDINATORS: J. MAGALON, G. MAGALON

In recent years, autologous stem cells, fat and platelet-rich plasma have been key elements in restoring youth for the face and body. Discover the recent developments in techniques and products in cell therapy, PRP treatments and adipose derived products. Delve into the recent advances made in regenerative surgery such as the role of stem cells, and examine safe methodologies for fat harvesting and transfer to the face, neck, breast and buttocks.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
T-LAB CURATIVE INNOVATIONS

REGIONAL MASTERCLASSES MIDDLE EAST & NORTH AFRICA, EASTERN EUROPE, ASIA

12 learning hours

EASTERN EUROPE -
COORDINATOR: M. LANDAU,
CHAIRS: L. KHRUSTALEVA,
Y. KOLODCHENKO, S. KRUGLIK,
E. LESHUNOV, I. RUDENKO,
Y. YUTSKOVSKAYA

MIDDLE EAST & NORTH AFRICA -
COORDINATORS:
A. BADAWI, S. GHANNAM, A. NOUR EL DIN,
T. TIRYAKI

ASIA - COORDINATORS: P. HUANG,
H. J. MOON

The Regional Masterclasses explore specific procedures, treatment methods, challenging cases and trends that are common in three regions where the aesthetic market is flourishing: Middle East & North Africa, Eastern Europe and Asia. Notable scientific societies and speakers of the regions bring their expertise so that practitioners can be successful with any clientele.

THREADS

4 learning hours

COORDINATORS: P. HUANG, H. J. MOON

From basics to advanced techniques, the Threads series is guaranteed to boost the knowledge of attendee at all levels. Discover the new and innovative products released, or revisit the practical techniques and the anatomy of related areas to master this procedure. The series also covers a new polemic of whether or not threads could be used to reshape the nose, so be sure to attend for a well-rounded update for 2020.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
APTOS

TOXINS

8 learning hours

COORDINATORS: B. ASCHER, G. MONHEIT, B. RZANY
CHAIR: M. LANDAU

The series dedicates the full day to all-you-need-to-know about toxins through a wide variety of angles and approaches. Find out about emerging toxins in 2020 and the science behind each product. The presenting experts also put emphasis on the anatomy to toxins, the off-label and medical indications of toxins, new evidence-based techniques, how to prevent and manage complications, and the neuropsychological effects toxins may have on patients. Join this series for a comprehensive understanding of toxins.

YOUNG PHYSICIANS

8 learning hours

COORDINATORS: M. BENZAQUEN, F. DELAUNAY, J. FERNANDEZ,
CHAIRS: M. BEYLOT BARRY, S. GARSON, M. HAEDERSDAL, A. LE PILLOUER PROST

After the great success of last year, the Young Physicians sessions return with topics most sought-after. The sessions begin with presentations by world-renowned speakers, and concludes with 'Young Dermatologists/Surgeons Awards' sessions where young professionals present their research and clinical cases to a high-profile jury and compete for an award. It's your chance to form essential connections with peers and showcase your growing expertise to a world-wide audience.

WITH AN UNRESTRICTED EDUCATIONAL GRANT FROM:
ESTHEDERM / NAOS

S1 ROOM TERNES LEVEL 1

CADAVER WORKSHOP: SUPERFICIAL ECHOGRAPHIC FACIAL ANATOMY

INJECTABLES*
8:30 AM TO 9:30 AM

CHAIR(S): BENJAMIN ASCHER, SEBASTIAN COTOFANA, HYOUNG JIN MOON, PETER VELTHUIS

8:30 AM Mapping of Asian echographic anatomy
HyounG Jin MOON (96720 / 12 min)

8:42 AM Dissection on cadaver - Danger zones for injectables with markings from echographic anatomy
Sebastian COTOFANA (96718 / 10 min)

8:52 AM Live mapping of echographic anatomy and presentation
Peter VELTHUIS (96719 / 17 min)

9:09 AM Commentator
Jisoo KIM (96410 / 05 min)

9:14 AM Commentator
Oscar JANSEN (98633 / 05 min)

9:19 AM Q&A (99944 / 11 min)

TOPIC SERIES LIVE ANATOMY ON CADAVER

FORMAT ANATOMY WORKSHOP > in-depth anatomy training that utilizes the innovative and technical tools in parallel to anatomical studies

With the exceptional support of:
Fer à Moulin Surgery School of Paris

S2 ROOM TERNES LEVEL 1

CADAVER WORKSHOP: THREADS

SUSPENDING DEVICES*
9:30 AM TO 10:30 AM

CHAIR(S): DENIS GUILLO, PO HAN PATRICK HUANG

9:30 AM Dissection on cadaver - Threads: anatomy to avoid complications
Tim PADOPOULOS (94560 / 10 min)

9:40 AM Live demonstration - Threads (unrestricted educational grant from Sinclair)
Franco VERCESI (94561 / 15 min)

9:55 AM Commentators - Threads
HyounG Jin MOON (96626 / 05 min)
Francisco Manuel FALCAO DE MELO (99186 / 05 min)

10:00 AM Dissection on cadaver - Threads: the right layer to insert threads
Philippe KESTEMONT (94563 / 10 min)

10:10 AM Live demonstration - Threads (unrestricted educational grant from Relife)
Henry DELMAR (94564 / 15 min)

10:25 AM Commentators - Threads
Hema SUNDARAM (96631 / 05 min)
Bernard CORNETTE DE SAINT CYR (98634 / 05 min)

TOPIC SERIES LIVE ANATOMY ON CADAVER

FORMAT ANATOMY WORKSHOP > in-depth anatomy training that utilizes the innovative and technical tools in parallel to anatomical studies

SESSION UNDER AN UNRESTRICTED EDUCATIONAL GRANT¹

With the exceptional support of:
Fer à Moulin Surgery School of Paris

S3 ROOM TERNES LEVEL 1

CADAVER WORKSHOP: PERIORBITAL INJECTIONS

INJECTABLES*
10:30 AM TO 11:30 AM

CHAIR(S): JAVIER BEUT, ATCHIMA SUWANCHINDA

10:30 AM Dissection on cadaver - Periorbital
Cecile WINTER (92998 / 10 min)

10:40 AM Live demonstration - Periorbital injections (unrestricted educational grant from Merz)
Tatjana PAVICIC (92999 / 15 min)

11:00 AM Dissection on cadaver - Periorbital
Tim PADOPOULOS (93001 / 10 min)

11:10 AM Live demonstration - Periorbital injections (unrestricted educational grant from Bioxis)
Wolfgang REDKA SWOBODA (93002 / 15 min)

11:25 AM Commentator - Periorbital injections
Irina KHRUSTALEVA (93003 / 05 min)

TOPIC SERIES LIVE ANATOMY ON CADAVER

FORMAT ANATOMY WORKSHOP > in-depth anatomy training that utilizes the innovative and technical tools in parallel to anatomical studies

SESSION UNDER AN UNRESTRICTED EDUCATIONAL GRANT¹

With the exceptional support of:
Fer à Moulin Surgery School of Paris

S4 ROOM TERNES LEVEL 1

CADAVER WORKSHOP: TEMPLE & FOREHEAD INJECTIONS

INJECTABLES*
11:30 AM TO 12:30 PM

CHAIR(S): MARINA LANDAU, PIERRE NICOLAU

11:30 AM Dissection on cadaver - Temple & forehead - Vascular anatomy for filler injections
Peter PALHAZI (93006 / 10 min)

11:40 AM Live demonstration - Forehead injections (unrestricted educational grant from LG Chem)
HyounG Jin MOON (93007 / 15 min)

11:55 AM Commentator - Forehead injections
Pierre NICOLAU (93008 / 05 min)

12:00 PM Dissection on cadaver - Temple & forehead - Muscle anatomy for toxin & filler injections
Cecile WINTER (93009 / 10 min)

12:10 PM Live demonstration - Temple injections (unrestricted educational grant from Laboratoires Vivacy)
Nimrod FRIEDMAN (93010 / 15 min)

12:25 PM Commentator - Temple injections
Herve RASPALDO (93011 / 05 min)
Susan H WEINKLE (99885 / 05 min)

TOPIC SERIES LIVE ANATOMY ON CADAVER

FORMAT ANATOMY WORKSHOP > in-depth anatomy training that utilizes the innovative and technical tools in parallel to anatomical studies

SESSION UNDER AN UNRESTRICTED EDUCATIONAL GRANT¹

With the exceptional support of:
Fer à Moulin Surgery School of Paris

S5 ROOM TERNES LEVEL 1

CADAVER WORKSHOP: MID & LOWER FACE

INJECTABLES*
2:00 PM TO 3:00 PM

CHAIR(S): BENJAMIN ASCHER, LAKHDAR BELHAOUARI

2:00 PM Dissection on cadaver - Mid-face - Fat layers & muscles
Philippe KESTEMONT (93022 / 10 min)

2:10 PM Live demonstration - Midface injections (unrestricted educational grant from Laboratoires Fillmed)
Javier BEUT (93023 / 15 min)

2:25 PM Commentator - Midface
Ashish DAVALBHAKTA (93024 / 05 min)
Jose Juan MONTES BRACCHINI (100088 / 05 min)

2:30 PM Dissection on cadaver - Lower face volume
Fabio Massimo INGALLINA (93025 / 10 min)

2:40 PM Live demonstration - Lower face injections (unrestricted educational grant from Relife)
Giovanni SALTI (93026 / 15 min)

2:55 PM Commentators - Lower face injections
Hema SUNDARAM (93027 / 05 min)
Liya GAVASHELI (98614 / 05 min)

TOPIC SERIES LIVE ANATOMY ON CADAVER

FORMAT ANATOMY WORKSHOP > in-depth anatomy training that utilizes the innovative and technical tools in parallel to anatomical studies

SESSION UNDER AN UNRESTRICTED EDUCATIONAL GRANT¹

With the exceptional support of:
Fer à Moulin Surgery School of Paris

S6 ROOM TERNES LEVEL 1

CADAVER WORKSHOP: NOSE INJECTIONS

INJECTABLES*
3:00 PM TO 4:00 PM

CHAIR(S): VIVEK MEHTA, LUCA PIOVANO

3:00 PM Dissection on cadaver - Nose
Peter PALHAZI (93030 / 10 min)

3:10 PM Live demonstration - Nose injections (unrestricted educational grant from S&V Technologies)
Natalia GRATI (93031 / 15 min)

3:25 PM Commentators - Nose injections
Steven LIEW (98616 / 05 min)
Alexandru KARKHI (98910 / 05 min)

3:30 PM Use of 3D & Augmented Reality Anatomy to optimize injections
Emmanuel ELARD (93033 / 15 min)

3:45 PM Debate on danger zones for the nose
Tapan PATEL (99886 / 15 min)

TOPIC SERIES LIVE ANATOMY ON CADAVER

FORMAT ANATOMY WORKSHOP > in-depth anatomy training that utilizes the innovative and technical tools in parallel to anatomical studies

SESSION UNDER AN UNRESTRICTED EDUCATIONAL GRANT¹

With the exceptional support of:
Fer à Moulin Surgery School of Paris

S9, S10 ROOM 143 LEVEL 1

CO2 LASERS: THE GOLD STANDARD FOR ACNE SCARS AND SCARS

LASERS & EBD*

8:30 AM TO 10:30 AM

CHAIR(S): OFIR ARTZI, JULIAN CONEJO MIR SANCHEZ

8:30 AM Conventional and unconventional uses of a fractional CO2 laser
Rahul PILLAI (93102 / 12 min)

8:42 AM Acne scars: holistic approach
Ashraf M BADAWI (96687 / 12 min)

8:54 AM Surgical CO2 laser for benign tumors of the ciliary flange
Khaled TURKI (93103 / 12 min)

9:06 AM Ablative lasers in clinical dermatology: how to use them
Albert WOLKERSTORFER (96639 / 12 min)

9:18 AM A novel 1340 nm (Nd:YAP) laser in active acne & acne scars: treatment and prevention approaches
Valeria CAMPOS (96686 / 12 min)

9:30 AM Treatment of acne scars: a regenerative approach
Daniel CASSUTO (96683 / 12 min)

9:42 AM How to prevent and manage acne scars
Marco Alexandre ROCHA (96685 / 12 min)

9:54 AM Non-ablative 1550-nm erbium-glass and ablative 10 600-nm CO2 fractional lasers for acne scars
Sang Ju LEE (93105 / 12 min)

VIDEO COURSE - LASERS & EBD

LASERS & EBD*

4:30 PM TO 6:30 PM

CHAIR(S): MAURICE ADATTO, UWE PAASCH

4:30 PM Fractional radiofrequency: pins & needles
Arisa ORTIZ (92946 / 12 min)

4:42 PM How diode lasers can treat more than hair removal
Klaus FRITZ (99526 / 12 min)

4:54 PM Lasers in the perioral region
Khaled TURKI (99661 / 12 min)

5:06 PM Treatment of striae distensae
Paolo BONAN (92942 / 12 min)

5:18 PM Update on skin rejuvenation with photosensitizer-enhanced optical energy
Peter BJERRING (99527 / 12 min)

5:30 PM Rejuvenation in the neck and décolletage with injectables and lights
Alvaro Andres LUQUE ACEVEDO (92945 / 12 min)

5:42 PM 650 usec, 1064nm Nd:YAG laser treatment of acne: a double blind randomized control study
David J GOLDBERG (92941 / 12 min)

5:54 PM A Brazilian experience on combining different Nd:YAG laser pulse widths for a novel anti-aging treatment in all skin types
Valeria CAMPOS (92943 / 12 min)

6:06 PM A new approach for the rejuvenation of the face: a combination of IPL and microneedling RF with galvanic energy
Matteo TRETTI CLEMENTONI (92944 / 12 min)

6:18 PM Q&A (92947 / 12 min)

VASCULAR COMPLICATIONS & LATEST ADVANCES ON HYALURONIDASE
INJECTABLES*
4:30 PM TO 6:30 PM
CHAIR(S): JAVIER BEUT, MARINA LANDAU, PATRICK J TREACY

Part 1 - Retinal thrombosis

4:30 PM Retinal obliteration hypothesis overview
Javier BEUT (100082 / 10 min)

4:40 PM Anatomy 3D intravascular embolism ophthalmic artery
Javier BEUT (99428 / 10 min)

4:50 PM Blindness associated with dermal filler B.A.D management protocol
Steven LIEW (99938 / 10 min)

5:00 PM Hyaluronidase caveats in treating fillers complications: focus on retinal obliteration
Marina LANDAU (99434 / 10 min)

5:10 PM Debate with all speakers: guidelines for preventive and curative problems
Marina LANDAU (99450 / 12 min)

5:22 PM Debate with all speakers: guidelines for preventive and curative problems
Vasilii ATAMANOV (100477 / 05 min)

Part 2 - Facial thrombosis

5:27 PM Hyaluronidase, no reason to be afraid of! Manage overcorrections and adverse reactions to HA fillers
Berthold RZANY (99433 / 12 min)

5:39 PM The use of hyaluronidase
Peter VELTHUIS (99429 / 12 min)

5:51 PM Hyaluronidase interaction - Cadaver vs Live
Tim PAPADOPOULOS (99430 / 12 min)

6:03 PM Guidelines on how to treat facial thrombosis
Patrick J TREACY (100395 / 12 min)

6:15 PM Debate with all speakers: guidelines for preventive and curative problems
Patrick J TREACY (99865 / 15 min)

FORMAT FOCUS SESSION > lecture presentations covering a major topic of the congress

TIPS & TRICKS IN COSMETIC & AESTHETIC DERMATOLOGY
INJECTABLES*
8:00 AM TO 10:00 AM
CHAIR(S): ASHRAF M BADAWI, LEONARDO MARINI, PETER VELTHUIS

8:00 AM Presentation of the ESCAD
Ashraf M BADAWI (96628 / 03 min)

8:03 AM How to provide the best service in aesthetic practice
Ashraf M BADAWI (96612 / 15 min)

8:18 AM Injectables: valuable ideas gained in 20 years of practice
Peter VELTHUIS (93783 / 15 min)

8:33 AM Mesobotox: when, how and what to expect?
Khaled Salem AL NUAIMI (93784 / 15 min)

8:48 AM Tips and tricks in the treatment of hyperhidrosis
Oliver Philip KREYDEN (93785 / 15 min)

9:03 AM Smooth local anesthesia
Leonardo MARINI (96613 / 15 min)

9:18 AM Periorbital cosmeceuticals: what they can and cannot do
Nahia HUNTER (96608 / 15 min)

9:33 AM Pitfalls and complications in botulinum toxin type A
Andreas D KATSAMBAS (93782 / 15 min)

9:48 AM Q&A (93786 / 12 min)

PSORIASIS
CLINICAL DERMATOLOGY & DERMATOLOGIC SURGERY*

8:00 AM TO 10:00 AM

- CHAIR(S): PIERRE ANDRE BECHEREL, MANUEL DARIO FRANCO
- 8:00 AM Presentation of Argentinian society of dermatology
Ariel B SEHTMAN (100076 / 05 min)
 - 8:05 AM Adverse cutaneous reactions to TNF-alpha blockers and its management
Ariel B SEHTMAN (93990 / 12 min)
 - 8:17 AM What is the future in psoriasis
Pierre Andre BECHEREL (100488 / 12 min)
 - 8:29 AM Botulinum toxin in psoriasis plaques, and its advances - Part 1
Manuel Dario FRANCO (96647 / 12 min)
 - 8:41 AM Botulinum toxin in psoriasis plaques, and its advances - Part 2
Cesar GONZALEZ ARDILA (98191 / 12 min)
 - 8:53 AM The prevalence of hypocalcaemia and streptococcal infection in psoriasis vulgaris
Rahul PILLAI (98187 / 12 min)
 - 9:05 AM Current treatment recommendations
Alexander NAST (93989 / 12 min)
 - 9:17 AM Intralesional steroid injections and laser treatment for nail psoriasis
Christina FOTIADOU (98631 / 12 min)
 - 9:29 AM Anti-IL-23: not just a new number, but a revolution in the concept and our therapeutic strategy in psoriasis (unrestricted educational grant from Almirall)
Pierre Andre BECHEREL (98189 / 12 min)
 - 9:41 AM Q&A (93993 / 19 min)

PHOTOPROTECTION & SUN DAMAGED SKIN
CLINICAL DERMATOLOGY & DERMATOLOGIC SURGERY*

10:30 AM TO 12:30 PM

- CHAIR(S): ANNE JANIN, KATRINE TOGSVERD BO, NICOLA ZERBINATI
- 10:30 AM Presentation of SiDeMaSt
Piergiacomo CALZAVARA PINTON (93500 / 05 min)
 - 10:35 AM The light sensitive patient
Piergiacomo CALZAVARA PINTON (93501 / 10 min)
 - 10:45 AM Photodamaged skin, the PDT revisited
Cyril MAIRE (96382 / 10 min)
 - 10:55 AM Fractional Q-switched laser in photoaging treatment
Giovanni CANNAROSSO (96495 / 10 min)
 - 11:05 AM Lasers for the treatments of skin cancers - A 40-year literature overview
Moshe LAPIDOTH (96648 / 10 min)
 - 11:15 AM Truth and fictions in regenerative medicine (unrestricted educational grant from AQ Skin Solutions)
Ahmed AL QAHTANI (93502 / 10 min)
 - 11:25 AM Can lasers treat non-melanoma skin cancer or actinic keratoses?
Klaus FRITZ (98149 / 10 min)
 - 11:35 AM The role of sunscreen
Manuel Dario FRANCO (93503 / 10 min)
 - 11:45 AM Undesired effects of sunscreen
Alicia CANNAVO (98456 / 10 min)
 - 11:55 AM Topical treatments for photodamaged skin
Stine Regin WIEGELL (97880 / 10 min)
 - 12:05 PM When sunscreen has not been used: from photorejuvenation to PDT passing through the fractional resurfacing
Matteo TRETTO CLEMENTONI (93510 / 10 min)
 - 12:15 PM Q&A (93504 / 15 min)

RHEOLOGICAL AND BIOPHYSICAL PROPERTIES OF FILLERS
INJECTABLES*

8:00 AM TO 10:00 AM
CHAIR(S): **BENJAMIN HERBAGE, TIM PAPADOPOULOS, THOMAS RAPPL, HEMA SUNDARAM**

8:00 AM Introduction and welcome by the Chairs
Tim PAPADOPOULOS (98096 / 05 min)

8:00 AM Introduction and welcome by the Chairs
Hema SUNDARAM (97897 / 05 min)

8:05 AM Anatomical foundation for rheology: augmented reality to demonstrate filler distribution
Sebastian COTOFANA (97894 / 12 min)

Part 1 - Rheology: what's the evidence?

8:17 AM Imaging: the essential link between anatomy, rheology and clinical reality
Philippe HUMBERT (98097 / 12 min)

8:29 AM My perspective - Hyaluronic injections: bridging rheology and evidence to clinical practice
Daniel CASSUTO (93716 / 12 min)

8:41 AM My perspective - Rheology in the real world: a practical approach to fillers
Tim PAPADOPOULOS (98095 / 12 min)

8:53 AM Rheology - From research to reality: key concepts to advance our volumetric strategies
Hema SUNDARAM (97893 / 12 min)

9:05 AM HA filler: what other physical properties are relevant and what impact upon hyaluronidase injection?
Benjamin HERBAGE (93715 / 12 min)

9:17 AM Debate - Rheology: what's the evidence?
Benjamin HERBAGE (98812 / 10 min)

Part 2 - Myomodulation: what's the evidence?

9:27 AM Myomodulation with fillers: mechanism and results
Lakhdar BELHAOUARI (93717 / 12 min)

9:39 AM Is myomodulation a reality?
Jean Paul MENINGAUD (97907 / 10 min)

9:49 AM Debate - Myomodulation: what's the evidence?
Hema SUNDARAM (98099 / 10 min)

VIDEO COURSE - INJECTABLES

INJECTABLES*

4:30 PM TO 6:30 PM

CHAIR(S): MUHAMMED DALVI HUMZAH, HEMA SUNDARAM

4:30 PM Welcome and overview of the session
Hema SUNDARAM (98101 / 05 min)

4:35 PM Injectables for a new decade - Introduction and key questions
Hema SUNDARAM (98102 / 08 min)

4:43 PM Key anatomy for injectables: evolution of imaging and dynamic analysis
Sebastian COTOFANA (92961 / 12 min)

4:55 PM Safe and effective strategies with HA versus non-HA fillers
Thomas RAPPL (92964 / 10 min)

5:05 PM Aging through a lifetime: mapping and planning injectables treatment for ages 30, 40, 50 & 60+
Maria Alice GABAY (92960 / 10 min)

5:15 PM Facial duplex/ultrasound anatomy: a live demo to present the normal facial anatomy, a model with HA fillers
Leonie SCHELKE (98109 / 10 min)

5:25 PM Injectables safety for a new decade - Introduction & key questions
Hema SUNDARAM (100252 / 08 min)

5:33 PM Anatomy of vascular complications: emerging concepts and study models
Hyoung Jin MOON (100253 / 12 min)

5:45 PM Updated guidelines for filler-induced visual loss
Muhammed Dalvi HUMZAH (86155 / 10 min)

5:55 PM Filler-induced vascular occlusion: prevention and management
Davi DE LACERDA (86137 / 10 min)

6:05 PM Key take-home messages and session close
Hema SUNDARAM (92965 / 05 min)

6:10 PM Commentator
Sabrina SHAH DESAI (100391 / 05 min)

6:15 PM Q&A (100254 / 15 min)

FORMAT VIDEO COURSE > in-depth training on a specific theme through short videos of applied techniques by a team of experts

OPTION - REQUIRES ADDITIONAL FEES

TIPS & TRICKS FOR BOTULINUM TOXIN A & FILLERS WHAT'S NEW IN MY PRACTICE

INJECTABLES*

8:00 AM TO 10:00 AM

CHAIR(S): CLAIRE BEYLOT, OLIVIER COGREL, ANNE LE PILLOUER PROST, CATHERINE RAIMBAULT GERARD

Part 1 - Tips & tricks

8:00 AM Tips and tricks of botulinum toxin: application in real practice
Leonor GIRAO (98607 / 12 min)

8:12 AM Botulinum toxin A - New injection procedures: magic click-click syringes and pens
Anne LE PILLOUER PROST (98610 / 12 min)

8:24 AM Tips & tricks with biostimulation and botulinum toxin
Teresa PINTO DE ALMEIDA (98629 / 10 min)

8:34 AM What's new in my practice: plasma rich in growth factors gel as a filler
Elia ROO RODRIGUEZ (98611 / 12 min)

Part 2 - Complications

8:46 AM Fillers: detection and management of high risk patients
Catherine RAIMBAULT GERARD (94209 / 12 min)

8:58 AM Update on avoiding and treating arterial adverse events from fillers
Claire BEYLOT (94211 / 12 min)

9:10 AM Hyaluronidase: the flip side of the coin
Phryne COUTANT FOULC (97665 / 12 min)

9:22 AM Extreme urgency for ocular vascular ischemia
Olivier GALATOIRE (94212 / 12 min)

9:34 AM Ultrasound-assisted facial assessment, injections, and complication mitigation
Steven F WEINER (99659 / 12 min)

9:46 AM Q&A (94213 / 14 min)

WELCOMING OUR SCIENTIFIC PARTNERS

IMCAS works in partnerships with a network of scientific societies from across the globe that contribute in form of expertise on sessions related to their specialty. The collaborations not only ensure that the educational content befits an international audience, but they also mutually nourish the influence and outreach. Our partners are active agents who bring their speciality to the scientific content.

WELCOMING OUR
SCIENTIFIC PARTNERS

IMCAS works in partnerships with a network of scientific societies from across the globe that contribute in form of expertise on sessions related to their specialty. The collaborations not only ensure that the educational content benefits an international audience, but they also mutually nourish the influence and outreach. Our partners are active agents who bring their speciality to the scientific content.

STUDY BREAK DIVERSIONS

JOURNAL CORNER

Thanks to our partnerships with numerous publishing firms, attendees can obtain free copies of diverse range of peer-reviewed scientific and medical journals. Browse through the proposed volumes and replenish your library with the latest academic resources.

AESTHETIC SURGERY JOURNAL

EDITOR: DR FOAD NAHAI, PLASTIC SURGEON – WWW.ASJ.OXFORDJOURNALS.ORG

Aesthetic Surgery Journal is a peer-reviewed international journal focusing on scientific developments and clinical techniques in aesthetic surgery. It is the official publication of the The Aesthetic Society.

AESTHETIC SURGERY JOURNAL OPEN FORUM

EDITOR: DR FOAD NAHAI, PLASTIC SURGEON – WWW.ASJOPENFORUM.COM

Aesthetic Surgery Journal Open Forum is an Open Access peer-reviewed international journal focusing on the latest developments and practical, clinical advances in aesthetic surgery and cosmetic treatments. It is an official publication of The Aesthetic Society.

JOURNAL OF AESTHETIC NURSES

EDITOR: CHERYL BARTON, AESTHETIC NURSE – WWW.MAGONLINELIBRARY.COM

Journal of Aesthetic Nursing (JAN) is the only peer-reviewed clinical and professional journal for aesthetic nurses. With a view to continually support aesthetic nurses in advancing their clinical practice and practice management skills, JAN publishes high-quality, evidence-based articles, including clinical overviews and case studies, with a strong focus on non-surgical cosmetic procedures.

LASERS IN SURGERY AND MEDICINE

EDITOR: DR BRIAN WONG – WWW.ONLINELIBRARY.WILEY.COM

LSM publishes the highest quality research and clinical manuscripts in areas relating to the use of lasers in medicine and biology. The journal publishes basic and clinical studies on the therapeutic and diagnostic use of lasers in all the surgical and medical specialties. Contributions regarding clinical trials, new therapeutic techniques or instrumentation, laser biophysics and bioengineering, photobiology and photochemistry, outcomes research, cost-effectiveness, and other aspects of biomedicine are welcome.

THE PMFA JOURNAL

EDITOR: PR ANDREW BURD & MR DALVI HUMZAH – WWW.THEPMFAJOURNAL.COM

Written by the profession for the profession, the PMFA Journal is a unique publication, which brings together the related fields of plastic and maxillofacial surgery and aesthetic medicine. Each issue features high quality educational articles, journal and book reviews, and news from the international conference scene.

QUIZ BOOTH

Stop by IMCAS Quiz Booth on Level 1 for a 20-question speed quiz and test your medical expertise and IMCAS knowledge. Score 20/20 and win immediately a Target or Video Course of your choice to add to your congress badge. The BIG win? The 10 participants who got the best score in the shortest amount of time wins a FREE registration for IMCAS Annual World Congress 2021 or a premium membership to IMCAS Academy, the leading e-learning platform in dermatology and plastic surgery! So, take 5-min of your time and enjoy the quiz.

OFFICIAL RAFFLE

Enter the official IMCAS Raffle at Booth N132 to win a wide range of prizes with the ticket found in the final program. The raffle draw takes place at Booth N132 on Friday at 4PM. The BIG win? A Macbook Air!

WEBCAST LECTURES

These private presentations are recorded in a dedicated studio during the congress (Room 338M at level 3.5). The videos from the webcasts will be published exclusively on IMCAS Academy, the leading e-learning platform in dermatology, plastic surgery and aesthetic science.

Browse imcasacademy.com to get access to more than 4,300 videos.

More information about IMCAS Academy and all its powerful services on page 136

NAME	LECTURE TITLE	NUMBER

Dr Matheus SIQUEIRA MASSON	Cervicofacial contour treatment with minimally invasive procedures	100281
Dr Gabriel SIQUIER	Case report: positive effect of hybrid stable cooperative complexes of high an low molecular weight hyaluronic acid in localized psoriasis plaques	100255
Dr Yulia STEPANOVA	Diagnostics and surgical treatment of consequences of the soft tissue augmentation with Vaseline oil	99383
Dr Yulia STEPANOVA	Ultrasonic diagnostics of complications after lip augmentation and contour correction	99506
Dr Yulia STEPANOVA	Dermatofibrosarcoma- A rare soft tissue tumor: radical treatment followed by soft tissue defect repair	100015
Dr Hema SUNDARAM	A randomized, blinded, no-treatment control, multicenter, prospective clinical study of a resilient hyaluronic acid for the treatment of moderate-to-severe perioral rhytids (unrestricted educational grant from Teoxane Laboratoires)	100461
Dr Carlos Andres TELLEZ GOMEZ	Autologous fat transfer for restoring symmetry after genital linear morphea	99932
Dr Ricardo VILLA	A test under extreme conditions for melanoidins: an innovative adjuvant for sun protection in 5 siblings with Bloom Syndrome	96428

Sponsored sessions at-a-glance

The highlighted sessions below are informative activities prepared by the sponsoring companies who wish to present their latest products and devices in dynamic formats. Choose among a variety of sessions sponsored by a diverse range of companies. The content of these sessions is not endorsed by IMCAS.

INDUSTRY SYMPOSIA (PAGE ON LEFT)

A symposium is a 1-hour presentation taking place in the auditoriums during which sponsoring companies showcase their newest developments, promoting to a large audience all their products, innovations and techniques through lectures, video presentations and live demonstrations.

LIVE DEMONSTRATIONS (PAGE ON LEFT)

Broadcasted from a dedicated medical treatment room, the live demonstrations are 1-hour sessions composed of three consecutive 20-minute demonstrations that allow you to see the products and devices in injectables, threads, lasers & EBD action on stage! Unlike symposia, live demonstrations are moderated, enabling a critical viewpoint to the products or devices shown.

INDUSTRY GUEST LECTURES

These 15-minute talks by industry representatives take place on the Open stage right in the exhibition area, emulating a convivial and interactive environment that incites fruitful discussions. Check on page 122.

TRAINING LABS

The training programs are specifically designed for small groups of 10 to 15 attendees in a private, medicalized training room. Activities include hands-on opportunities, oral presentations or demonstrations on a patient, all of which are trainings so you can understand the full potential usage or the company's devices and products.

HOSPITALITY SUITES

Hospitality suites are company-tailored conference rooms where KOL speakers share their experience and techniques about the hosting company's products. The seclusion of the suites along with refreshments served create a relaxed environment that stimulates exchange and discussions. Please visit the company booth if you wish to receive an invitation.

WHO'S IN CHARGE?

The organizing company is responsible for the content of a sponsored session, as well as keeping the scientific integrity and compliance with all regulations for ethical practice. The organizing company manages the selection of the materials, speakers and scientific integrity of sponsored activities other than live demonstrations.

WHO CAN ATTEND?

Symposia, live demonstrations and industry guest lectures are open to all badge holders, however access to training labs and hospitality suites are granted by the organizing company.

NOTES

General info

CONGRESS VENUE

Palais des Congrès
2 Place de la Porte Maillot,
75017 Paris (France). 40 min from Charles
de Gaulles (CDG) airport, 30 min from Orly
(ORY) airport

BADGE ACCESS

IMCAS welcomes all professionals active in
the world of aesthetics, including doctors
and related professional bodies. Access to
conference rooms depends on each badge
category, whether the delegate is a board-
certified physician, a registered nurse or a
corporate professional.

Once you purchase a badge under your
name, it is not transferable to another
individual. All badge holders receive a
wristband upon arrival, which must be worn
along with the badge at all times for access to
the conference.

Please check our registration form for
the badge categories, their accesses and
cancellation policy.

CHARGING STATION (ALL LEVELS)

Universal mobile phone charging stations are
at your disposal on each level.

Sponsored by DERMICA LABORATOIRES, FAGRON
GENOMICS, SINCLAIR, VYTAL SCALP & WAVEMED

CLOAKROOM (LEVEL 2)

Two cloakrooms are at your disposal, one
in Room 253 and the other in the corridor
outside Amphi Bleu for a fee of €2 per item.

CONFLICT OF INTEREST (COI) POLICY

IMCAS insists on transparency in all
scientific courses, therefore each speaker
is required to disclose whether or not their
presentations contain any commercial bias or
financial support received.

The COI policy applies to anyone who is a
speaker during the congress or contributes to
the development of the scientific program;
this includes all members of the Scientific
Board and all faculty members.

CONGRESS APP

Download the official «IMCAS Congress
2020» app to make the most of your
participation! The app allows you to browse
the FULL PROGRAM and create your
personal calendar. Use the INTERACTIVE
MAP, a smart map that helps you locate
yourself in the venue, and find your way
to a selected room or booth. Enter a Q&A
DISCUSSION to ask your questions to the
speakers. SEARCH for a speaker, an exhibiting
company or scientific society who are at the
event. Get all the must-have features for the
congress in one unique app.

Sponsored by NEAUVIA

CERTIFICATE OF ATTENDANCE & CME ACCREDITATION

IMCAS offers Continuing Medical Education
(CME) credits for practicing physicians. To
retrieve CME credits, each registered delegate
has to fill in the online evaluation form within
30 days following the congress on www.
imcas.com. Once completed, a certificate of
attendance will be available for download,
along with a full explanation on how to claim
the CME credits.

COURTYARD - OPEN STAGE (LEVEL 1)

Come to the open stage next to the Academy
booth and tune in on activities happening
parallel to the sessions.

- Open stage talks: Oral presentations and
discussions taking place in an open stage.
- Interview booth: We invite KOLs and
faculty members to animate the exhibition
floor by sharing their expertise and
experiences through interviews filmed and
conducted by the IMCAS staff.
- Congress Video Report: IMCAS AV team
catches heated debates between experts on
a medical subject.
- Industry guest lectures: Oral presentations
sponsored by our industry partners.

EDUCATIONAL GRANT (UNRESTRICTED)

A grant is a financial donation from a
company to support a project or program.
An unrestricted grant allows the IMCAS
Scientific Committee to control and develop
the scientific content, and as such, sessions
under an educational grant are eligible for
CME accreditation. This edition of the
Annual World Congress proposes 353 one-
hour sessions, integrating into the program 60
educational grants. Take a look on page 23 for
the list of granting companies for this congress.

EXHIBITION (ALL LEVELS)

The exhibition is open all three days on all
three floors, and is accessible to all badge
holders. Visit our website for the updated list
of sponsors.

EXHIBITOR SERVICES (LEVEL 1)

A dedicated information area is available for
exhibitors in Rooms 101, 102 & 103

IMCAS Exhibitor services: find the IMCAS
industry department here to address any
questions from exhibitors.

Linksevent Exhibitor services: Linksevent is the
official booth constructors for this congress.
For any concerns with booth constructions,
please come to the Linksevent services.

Viparis personnel: A staff of Viparis is available
for exhibitors who need additional supplies
such as catering, electricity, cleaning, etc.

FOOD COURTS & SEATING AREAS (ALL LEVELS)

The venue has two food stations on Levels 1
& 3, and a snack bar on Level 2 with delicious
meals and refreshments available for purchase
all day. The program includes:

- *30-minute coffee breaks:* all delegates can grab
complimentary coffee and tea during these
breaks
- *90-minute lunch breaks:* lunch is an option you
can add to your badge when purchased
online. For only €18 per day, you have your
lunch served to-go at any of our food courts.
Help us be eco-friendly! Order ahead of
time to help us prepare the exact amount in
advance and minimize waste.
- *Animation carts:* look out for tuk tuks
throughout the exhibition hall, and enjoy the
snacks and beverages they offer during the
conference period!

GALA DINNER & AFTER PARTY

February 1, 2020 at 7:30 PM
Pavillon Cambon Capucines
46 rue Cambon
75001 Paris

The Gala Dinner offers a fabulous ending
after intensive learning. Enjoy the fine dining
and entertainment at the exquisite Pavillon
Cambon Capucines to unwind with friends
and colleagues. Come to the Registration desk
to check for prices and seat availability.

Sponsored by LABORATOIRES VIVACY, ALTA CARE
LABORATOIRES, TSK LABORATORY & ZO SKIN HEALTH

HOSPITALITY SUITES

Companies can host internal meetings or
welcome their clients, partners and VIP
guests in these sponsored meeting rooms.

IMCAS ACADEMY (LEVELS 1 & 2)

IMCAS Academy is the e-learning platform
to have in 2020! The exhaustive content is
now even easier to access with the Academy
app. Discover all that IMCAS Academy has
to offer at one of the Academy booths. Try it
for yourself, and benefit from a special offer
available only during the congress.

INFO DESK (ALL LEVELS)

Whether you have questions about the
courses or need help finding a room, you can
always come to one of the Info desks located
on each level where a member of staff will be
happy to help you with your query. Find it on
the Paris side on Level 1 & 3, or the Neuilly
side on Level 2.

LE CAFÉ PARISIEN - VIP LOUNGE (LEVEL 3)

Accessible exclusively to delegates who have
registered for the "All Inclusive" Pass or
purchased the VIP lounge option, Le Café
Parisien is a secluded, comfy lounge that gives
you a moment of calm in the midst of the
bustling congress.

Sponsored by BIOSCIENCE GMBH

LEARNING SPOTS

Keep an eye out for these learning spots for
additional learning opportunities outside the
sessions.

- *E-posters (level 2):* digital presentations
displayed in the corridor near Amphi Bleu.
- *Journal corner (level 2):* free access to diverse
scientific journals peer-reviewed by medical
societies.
- *Magazines and future congresses desk (level 3):*
find flyers on upcoming conferences and
magazines on dermatology, plastic surgery
and aesthetic science that our partners
provide.

LOST & FOUND BOOTH (LEVEL 1)

If you're looking for your lost object or wish
to drop off an item you found, come by the
Lost & found booth next to the Info desk on
Level 1.

MEDTECH CODE OF ETHICAL BUSINESS PRACTICE

IMCAS 2020 is COMPLIANT with the
MedTech Europe Code of Ethical Business
Practice. Event code: EMT17325

NETWORKING COCKTAIL (LEVEL 3)

Taking place on Friday evening, the
Networking Cocktail provides the perfect
opportunity to expand your professional
network and socialize in open and engaging
conversations. Join us at the Café Parisien
for cocktails & hors d'oeuvres.

Sponsored by BTL AESTHETICS

OPTIONAL COURSES

Upgrade your learning days with these
optional extras for an additional fee at the
Registration desk.

- *1-Hour Target Courses:* various 1-hour in-
depth courses on a topic of your choice,
led by 1 to 2 experts of the theme. We
recommend that you choose up to a
maximum of 3 Target Courses in order to
enjoy the whole congress!
- *2-Hour Video Courses:* various 2-hour courses
on a topic of your choice where experts
showcase videos for a practical training
approach.

PHOTOBOOTH (LEVEL 1)

Take a candid photo with a professional
photographer, and relive the congress
moments post-congress when the pictures will
be uploaded to the IMCAS social networks.

Sponsored by CROMA PHARMA

SELFIE CORNER (ALL LEVELS)

Capture the moment forever and bring home
a personalized souvenir. Our Selfie corners
welcome you during the entire congress.

Sponsored by CROMA PHARMA, QUANTIFICARE &
PROMOITALIA GROUP

SPEAKER PREVIEW ROOM - CLUB LOUNGE (LEVEL 1)

- *Preview room:* room with restricted access
to speakers only. All speakers must upload
their presentations 2 hours prior to sessions
as direct plug-in or connection is not
allowed in the session rooms.
- *Club lounge:* accessible to Faculty badge
holders only, this exclusive lounge offers
a deluxe seating area, concierge service,
cloakroom, food & beverages.

Sponsored by ZO SKIN HEALTH

SPONSORSHIP

A sponsorship for a session entails a
partnership between IMCAS and the
sponsoring company. The sponsoring
company provides direct financial support for
an activity, and in return, they may present
lectures promoting their product.
The content of the sponsored sessions
therefore is not endorsed by IMCAS. This
edition of the Annual World Congress
proposes 353 one-hour sessions, among which
95 sessions are sponsored. Take a look on
page 128 for the list of sponsoring companies
for this congress.

SURGERY VILLAGE

We are dedicating a special area on Level 3
to plastic surgery where all IMCAS Surgery
sessions and trainings take place. The Surgery
Village also has an exhibition of products,
devices and equipment for surgeons.

THEMES

The 15 key themes encompass major fields
of studies in aesthetic practices and serve as a
foundational base for the scientific program.
Each theme has been selected based on the
educational needs of our participants in their
professional lives. Turn to page 22 for a
detailed list of the themes.

TRANSLATION HEADSETS (LEVEL 2)

The official conference language is English,
but simultaneous translation from English to
Russian is offered in selected rooms. Headsets
can be rented at the Info desk on Level 2 for
€100. In case of loss or damage a €420 fee will
be charged.

WEBCAST

These private presentations are recorded in
a dedicated studio during the congress
(Room 338M at level 3.5). The videos from
the webcasts will be published exclusively
on IMCAS Academy, the leading e-learning
platform in dermatology, plastic surgery and
aesthetic science.

WIFI

Complimentary WiFi is available throughout
the venue. The network name and password to
connect are marked on your badge.

Sponsored by BIOSCIENCE GMBH

NEW EXPERIENCES & EVENTS

- Backup rooms (Level 1 & 2): two
rooms on two floors (room 151 on
Level 1 and room 241 on Level 2)
are now open in case of overflow!
If a session room becomes too
crowded, our staff will guide you
to the closest backup room so you
won't miss a thing.
- Coworking space & seating area
(Level 3): for the participants
who are always "on-the-run", the
coworking space provides a quiet
area to boost your productivity.
Sponsored by DERMAQUAL
- Massage station (Level 2): a team
of professional massage therapists
are onsite next to Room Maillot to
remove any fatigue and revitalize
your day.
Sponsored by JETPEEL
- Meeting point: every floor of
the venue has a tall post marked
"Meeting point" where you can
give rendez-vous to regroup.
Sponsored by SKINCEUTICALS
- Professional portrait studio
(Level 2): this photo studio
equipped with a professional
photographer and a make-up artist
provides a complimentary service
for professional portraits.
Sponsored by SAMYANG
- Raffle: come to the booth N132
and drop off your raffle ticket.
The draw for the winner takes
place on Friday during the coffee
breaks.

CME

IMCAS offers its participants Continuing Medical Education credits (CME), a trademark of quality in educational activities. The number of CME credits that IMCAS obtains for participants varies according to the duration of the congress and the accrediting organization, given that the requirements differ from one country to another. IMCAS congresses have been consistently accredited in Europe, USA, China, Indonesia, Hong Kong, India, among other locations. By attending IMCAS World Congress 2020, physicians will obtain CME credits and can request their conversion to local credits by contacting their national accrediting authorities, whether in Europe through UEMS or in USA through ACCME.

HOW

to obtain your certificate of attendance and claim your CME credits?

At the end of the conference, each registered delegate has to fill in an online evaluation form in the 30 days following the congress. To do so, please log in to your personal account on the IMCAS website: www.imcas.com

Should you have forgotten your username and/or password, please contact us at: contact@imcas.com

Once your evaluation is submitted, your Certificate of Attendance will be available for download on your account along with a full explanation on how to claim your CME credits.

EUROPE

Through the European Accreditation Council for Continuing Medical Education (EACCME)

24 CME credits,
Event code:
LEE19-01692
(Full conference)
or
8 CME credits per day

EUROPE

Through Ethical Medtech

The Medtech Europe Code of Ethical Business Practice sets strict, clear and transparent rules for the industry's relationship with Healthcare Professionals (HCPs) and Healthcare Organisations (HCOs), including arrangements with consultants, research and financial support to medical education. IMCAS World Congress 2020 is compliant under Ethical Medtech.

Event reference: EMT17325

USA

Through the Accreditation Council for Continuing Medical Education (ACCME)

24 CME credits,
Event code:
LEE19-01692
(Full conference)
or
8 CME credits per day

COI

WHAT IS A CONFLICT OF INTEREST? (COI)

A COI is a situation in which a person has a sufficient personal and/or financial relationship with a commercial or non-commercial entity that may bias the content of his or her presentation. The appropriate and most open course of action is to disclose activities and relationships that, if known to others, might be viewed as a conflict of interest, even if speakers do not believe that any conflict or bias exists.

HOW DOES IMCAS ACKNOWLEDGE COI?

IMCAS insists on complete independence between instructional (or scientific) courses and the industry sponsors of its congresses.

Scientific lectures are presumed to be based on objective interpretations of evidence and unbiased interpretations of facts with a fair representation of all specialties concerned in the field of aesthetics. This includes both medical aesthetics, such as plastic surgery and dermatology, and non-medical aesthetics, such as the cosmeceutical field.

The integrity of our congress requires disclosure of any potentially distorting influences. The audience may then judge and, if necessary, make allowance for the impact of the bias on the information they receive.

WHO DOES THE COI POLICY APPLY TO?

Anyone who is a speaker during the conference or contributes to the development of the scientific program, including:

- All Members of the Scientific Board (Course Director, Course Coordinators, Scientific Secretaries, Members of the Scientific Committee)
- All Faculty Members

Disclosure must be made whether the speaker has or does not have a COI within his or her lecture content. This disclosure form will be automatically displayed before the presentation slides of the speaker.

Furthermore, in order to comply with international accreditation criteria, each member of the Scientific Board has to fulfill additional COI requirements and must provide a written declaration of potential or actual COI for the IMCAS congress they are participating in.

WHAT IF THE SPEAKER DECLARES "NO CONFLICT OF INTEREST"?

This means that the speaker nor any member of his or her immediate family has a significant financial arrangement or affiliation with the product, device or company involved in the congress, or any potential bias against or towards another product, device or company.

HOW DOES IMCAS ENSURE THE HIGHEST QUALITY CONTENT AT ITS CONGRESSES?

The post-congress evaluations completed by attendees are invaluable as they enable us to continuously improve our congresses year after year and to ensure we offer delegates a program that matches their educational needs and expectations.

At IMCAS World Congress 2019, the online delegate evaluations revealed the following*:

96%

OF PARTICIPANTS WOULD ATTEND A FUTURE IMCAS CONGRESS

98%

OF PARTICIPANTS RATED THE SCIENTIFIC TOPICS AS GOOD TO EXCELLENT

98%

OF PARTICIPANTS RATED THE SCIENTIFIC SPEAKERS AS GOOD TO EXCELLENT

*Source: <https://www.imcas.com/en/exhibit/imcas-world-congress-2020/report>

IMCAS ACADEMY.COM

THE LEADING E-LEARNING PLATFORM IN DERMATOLOGY, PLASTIC SURGERY AND AESTHETIC SCIENCE

If 14,800 physicians are already learning online from IMCAS Academy, we must be doing something right.

In addition to fresh content updated weekly plus a **VIDEO LIBRARY** of 4,300 videos and a **SCIENTIFIC BLOG** of 120 contributions, the app allows you to discuss and debate on real-life cases with the **IMCAS ALERT**, a free feature where you can anonymously inquire help on complications. As soon as a case is posted, the community reacts - a goldmine of info. Remember to stay tuned for our **LIVE MONTHLY WEBINARS**.

IMCAS destinations

IMCAS ASIA 2020
BANGKOK - JUNE 19 TO 21

IMCAS AMERICAS 2020
BUENOS AIRES - NOVEMBER 5 TO 7

Bangkok holds a dear place in our hearts, for it is here we hosted our very first congress in Asia. This is why we are thrilled to return to the capital of Thailand to host the 14th edition of IMCAS Asia, in collaboration with the Thai Society of Cosmetic Dermatology and Surgery (ITCAM). Taking place from June 19 to 21, 2020, this new edition gathers all the upgraded educational material in dermatology, plastic surgery and aesthetic science for attendees to excel in the new decade, with a special focus on the approaches and perspectives from Asia's best physicians.

Whether you venture into the heart of this metropolitan city or explore its stunning nature and historic landmarks, Bangkok offers unparalleled discoveries to be made.

We are continuing the educational journey of IMCAS Americas in a new destination! Join us from November 5 to 7, 2020 in Buenos Aires, Argentina for a new learning adventure. Located at the southernmost tip of South America, Argentina boasts some of the world's most scenic nature that ranges from the mountains to sea. The diversity of Argentina extends to more than its landscapes. The country's rich history and melting pot culture offer a multitude of landmarks, cuisine and arts. Discover Buenos Aires and update yourself with new aspects of aesthetics and aging science in the Americas.

REGISTRATION GUIDELINES

	BADGE ACCESS (check on imcas.com)	FEES in euros	SUPPORTING DOCUMENTS	ADDITIONAL INFORMATION
