# Supplies4Heat Brochure - edition 13

## Value & Service

At Supplies4Heat our aim is to provide you with a range of great value designer radiators and towel rails. We understand that you want a choice of good looking, good quality products, all delivered with reliable service and guarantees.

### We promise;

- **Great Value:** quality products at affordable prices, made and tested to European standard EN442
- **All Products from Stock:** ready to be sent when you need them
- **Free 48-72 hour delivery for stock finishes:** Scotland and offshore islands may take longer where we aim to deliver within 5 working days
- **25 RAL Colours:** a choice of colours available for 13 radiator and towel rail ranges, see pages 8-9
- **Quality Guaranteed:** with a minimum of 5 years guarantee on all radiators and towel rails
- **National Branch Network:** a Merchant or Showroom local to you to order your radiators

To ensure that you get exactly what you need, our network of local Merchants will be able to provide expert advice and help with any plumbing and heating needs. For help calculating your heat output requirements, selecting your radiators or finding your local merchant or showroom please visit [www.supplies4heat.co.uk](http://www.supplies4heat.co.uk).

If you cannot find what you are looking for in this brochure please refer to The Radiator Company for a wider choice; [www.theradiatorcompany.co.uk](http://www.theradiatorcompany.co.uk) or telephone **01342 302250** for a brochure.

## FARADAY TYPE 21 (P+) VERTICAL

New for this edition is the FARADAY TYPE 21 (P+) in a vertical configuration, giving higher output and is available to order with an optional towel bar.

Please see pages 16-17 for more information.

25 RAL colours available; delivery in up to 15 working days, see pages 8-9 for more information.

Matching CORNEL Towel Bar (p.65).

Available in 26 RAL colours (p.9).

Matching BOLEYN Towel Rail (p.60-61).

♦ CORNEL Vertical 3 Column, 1800mm x 392mm with optional Slip on Feet and WELLINGTON TRV's.

# RAL COLOURS

## 25 RAL COLOURS NOW AVAILABLE ON 13 RANGES

If you are looking to add some colour to create an eye catching feature or to match your radiators with your colour scheme, 13 ranges are now available in 25 of the most popular RAL colours.

Your new radiator or towel rail will be painted by our UK based specialists in a long lasting satin finish. To allow for the colour process, delivery will be up to 15 working days to UK mainland invoice addresses, offshore islands may take longer where we aim to deliver within 20 working days. For orders of more than 10 radiators please allow an additional 5 working days.

- 25 of our most popular RAL colours to choose from
- Available on the CORNEL, EDISON, SAXON, WOBURN, TALLIS, CHAUCER, BEAUFORT, APSLEY, TALLIS Ladder Rail, ASHBY and WINSFORD Ladder Rail ranges.
- Finish guaranteed for 5 years
- Satin sheen finish, similar to eggshell

**Please note; the image below represents the range of colours we offer. Radiators can only be painted in one selected colour.**

*Please Note; delivery dates can only be confirmed once we have receipt of your chosen RAL colour number; please ensure your selected colour number and name is included on your order.*

To discuss a quotation for other colours outside of the above range please call 01342 306880.

Please note: Due to the printing process and manufacturing tolerances the colour (including white) of a finished radiator may vary slightly from the colours represented in this brochure. It should also be noted that the final finished colour of radiators ordered in the same colour but at different times may vary due to production processes.

EDISON Type 21 (P+) in RAL 3000.

WELLINGTON TRV's from £73.20 (p.64).

# WESSEX

- 4 column cast iron radiator
- Available in 2 heights and 6 widths; set sizes only
- Supplied with footed end sections only
- Delivered in either a cream or grey primer, you will then need to finish with a paint suitable for radiators
- Natural rough cast iron finish
- Optional cast iron wall tie

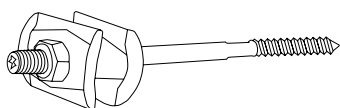

## Sizes and Prices; all prices include Footed End sections as standard

Dimensions (mm)			Sections	Output Δt 50°C		Product Code	Primer Finish Ex VAT	Primer Finish Inc VAT
Height	Width	Depth		Watts	Btu's			
4 Column								
660	508	144	8	696	2375	NWESS4C655008	£218.00	£261.60
660	628	144	10	870	2968	NWESS4C656210	£265.00	£318.00
660	748	144	12	1044	3562	NWESS4C657412	£319.00	£382.80
760	448	144	7	707	2412	NWESS4C764407	£236.00	£283.20
760	568	144	9	909	3102	NWESS4C765609	£304.00	£364.80
760	688	144	11	1111	3791	NWESS4C766811	£372.00	£446.40

Please note widths include measurement for bushes which are 28mm in total.

**Important Note:** Traditional cast iron radiators will come in a cream or grey primer (dependent on availability) please be aware that primer is not a finished surface. These radiators must then be finished with a paint suitable for radiators. When painting your radiators topcoats and undercoats must NEVER be WATER BASED or EMULSION. Be careful in selecting undercoats as some modern formulations are water based even though they are intended for use with oil based topcoats. Water based paint may create rust pockets that will develop and become unsightly.

## Optional Cast Iron Wall Tie

We recommend the following;

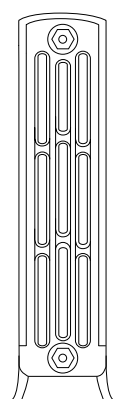

1 wall tie for 7 - 8 section radiators

2 wall ties for 9 - 12 section radiators.

Description	Product Code	Price Ex VAT	Price Inc VAT
Cast Iron Wall Tie	WESSWT01	£4.00	£4.80

## Pipe Centres and Technical Drawings

4 column

footed end  
section

Sections are  
60mm wide

Pipe centres left to right = Width of radiator plus valves  
Pipe centres from wall = 105mm - 120mm

For a larger range of cast iron please refer to The Radiator Company; [www.theradiatorcompany.co.uk](http://www.theradiatorcompany.co.uk) where we have a choice of 25 RAL colours in an extensive range of sizes, column and depths.

◆ WESSEX 4 Column, 660mm x 628mm with Footed End Section shown with a hand painted finish with SHIRE TRV's.

Optional WALL TIE.

WESSEX in standard primer finish.

SHIRE TRV's from £100.80 (p.63).

## Pipe Centres and Technical Drawings

Side Profile

Front Profile

Pipe centres left to right =	Width of radiator plus valves
Pipe centres from wall =	70mm
Depth from wall =	120mm

### Wall Brackets

Each WOBURN radiator will be supplied with 2 x left hand and 2 x right hand Brackets.

25 RAL colours available; delivery in up to 15 working days, see pages 8-9 for more information.

Also available in Horizontal (p.26-27).

Available in 26 RAL colours (p.9).

◆WOBURN Vertical 1870mm x 520mm shown with WELLINGTON TRV's.

# RADCLIFFE Horizontal

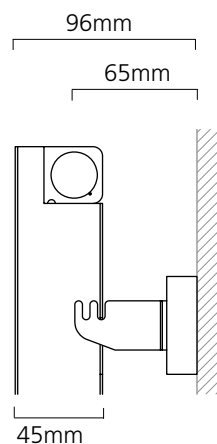

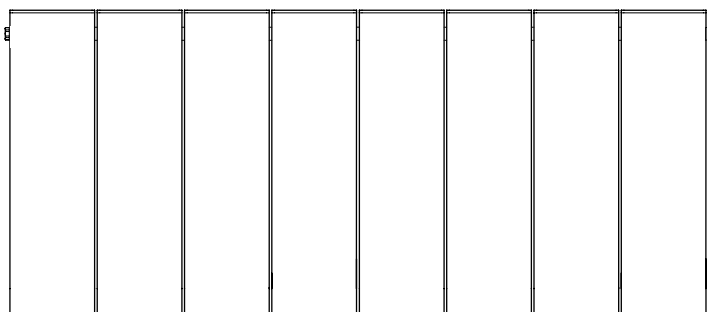

- Ultra slimline Extruded Aluminium profile
- Combines low water content with high thermal efficiency
- Available in Textured Matt White or RAL 9007 Grey Aluminium
- Both finishes available for delivery within 48-72 hours
- Also available in a vertical configuration, see pages 32-33
- Manufactured and tested to EN442

White Hanging Peg	SAXHHPW	£16.00	£19.20
Chrome Hanging Peg	SAXHHP C	£19.00	£22.80

# ACCESSORIES - ELEMENTS

There are two types; manual electric element and thermostatic electric element.

## Chrome Round Head Manual Electric Element

The manual electric element has basic functionality, it maintains a constant heat and is either on or off. Control is via a switched fused spur, the neon light indicates if the element is on.

## Chrome Round Thermostatic Electric Element

The thermostatic electric element monitors the temperature of the towel rail and activates the element as required. It has a range of set temperature options which can be selected manually.

## How to choose your Element

It is important to select the correct size element for your towel rail. Too small and it will not provide enough heat, too large and it can burn out.

The chart opposite will help you choose the right size element; we have listed the towel rail output in watts and the corresponding recommended size of element.

Towel Rail output range in Watts	Electric Elements
165 - 255	200w
260 - 375	300w
380 - 530	400w
535 - 735	600w
740 - 920	800w
920 - 1100	1000w

# ELECTRIC ELEMENTS
