

# DUTCH CONNECTION

The UK's specialist supplier of mahogany  
antique reproduction furniture to the trade

*Company Profile*

# About Us

*Welcome to Dutch Connection, the UK's leading supplier of antique reproduction furniture, open exclusively to the trade and wholesale furniture industry. Dutch Connection is a family run business and has been supplying antique reproduction furniture for over twenty five years. Our extensive range of beautifully hand carved, solid mahogany furniture immaculately reproduces historic furniture styles including Regency, Georgian, French and Victorian.*

# Our Customers

*We are proud to include leading hotels, interior designers, theatres, film and television production companies amongst our customers. We regularly supply furniture to architects, specifiers, retailers, shopfitters, furniture contractors and upholsterers, supporting businesses, large and small, across the industry.*

# Our Products

*Our collection of antique reproduction furniture is hand carved from solid mahogany and includes dining chairs, armchairs, tables, bedroom furniture, cabinets, dressers, bookcases and mirrors. All our furniture is available unfinished, painted or polished and upholstered to customer specifications.*

# Services

*Dutch Connection has been supplying furniture to the trade for over 25 years. Our furniture is available unfinished or painted/ polished and upholstered to bespoke specifications. Our sales team is always on hand to offer interior design advice and expertise alongside knowledge about the heritage of antique furniture to help you make the right choice.*

*Where possible Dutch Connection uses its own vehicles and drivers to deliver furniture across mainland Britain Monday to Friday.*

# Polishing

*Our standard range of polishes include Mahogany, Oak, Dark Oak and Wenge. A clear lacquer is also available which draws out Mahogany's natural toffee colour. All furniture is finished with a satin sheen as standard, on request furniture can finished with a matt or gloss sheen instead. Patinas and highlights can also be added to emphasise the carved detail of the furniture.*

# Painting

*Our standard range of paints include White, Rub Back White, Bone, Bone & Calabria, Bone & Grey, Silver, Antique Silver, Gold, Antique Gold and Black, all finished with a satin sheen as standard. On request furniture can finished with a matt or gloss sheen instead. Patinas and highlights can also be added to emphasise the carved detail of the furniture.*

# Bespoke Painting

*To create a real statement we offer a colour matching service and can confidently match the colours of leading paint suppliers. Please contact us for more details and prices. All are finished with a satin sheen as standard. On request furniture can be finished with a matt or gloss sheen instead. Patinas and highlights can also be added to emphasise the carved detail of the furniture.*

# Upholstery

*Our customers often choose to supply fabric for upholstery which will be finished with a co-ordinated stud or braid trim. We offer advice on choosing a fabric to suit customer requirements and can also help source fabrics if required. We have links to leading fabric suppliers including Romo, J. Brown, Warwick, Mobus, Crowson, Cristina Marrone and Crest Leather, amongst others.*

# Showroom

*Based in Falcon Mill, a converted cotton mill in Bolton, our vast showroom is open to trade customers Monday to Friday from 8.30am until 5pm. Our sales team will help with specific requirements, offering interior design advice and expertise alongside knowledge about the heritage of antique furniture to help with your choices.*
