

## STA200BP 24Hr Plug-in Timer

### SPECIFICATION SHEET

Technical data	
Connection	220-240V AC 50 Hz
Switching capacity	
-Ohmic Load	13 A/250 V ~ μ
-Inductive load	8 A/250 V ~ μ
Ambient temperature	
-continuous operating	- 10°C ... +55°C
- Short time rating	- 10°C ... +55°C
Running reserve	–
Charging Time	–
Memory spaces	–
Shortest switching time	15 min
Programmable	Each 15 min
Display	Clock hands
Manual Switch	yes
Run display	–
Switching display	–
Special functions	–
Random generator	–
Protection type	IP20
