Delivery & Manufacture Information

Production Lead Time - approx. **15-20 working days**

Delivery - For this sizeable & heavy item **we recommend selecting bulky item engineer delivery** (code DELB1). Our own engineers will deliver the item in sections, assembling and installing it in its intended location. Alternatively, **free delivery** is fully assembled via specialist courier to your door only, therefore you must ensure this large product can pass through your entrance/internal doors & passageways and note if not at ground level the weight requires a '4-man lift'.
