storage bays

ARMCON

CERTAINTY: IN CONCRETE

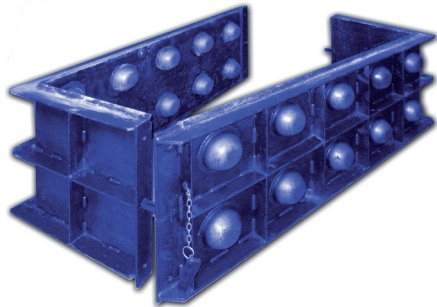

The **UNIQUE** ArmBlock

A two-part block mould frame incorporating the unique Armcon Sure-Fit location system. All steel construction.

- Make blocks for sale or hire
- Easily handled with our scissor lift block clamp
- Ideal for barriers, retaining walls & aggregate bays

These multi-purpose, interlocking blocks offer you an opportunity to produce and stock items that can satisfy immediate requirements in local authority, landscape, construction and leisure industry applications.

CERTAINTY: IN CONCRETE
