MOTORISED WINDOW BLINDS
FOR ROLLER, ROMAN AND VISION BLINDS

MOTORISED WINDOW BLINDS

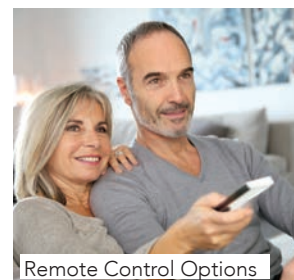

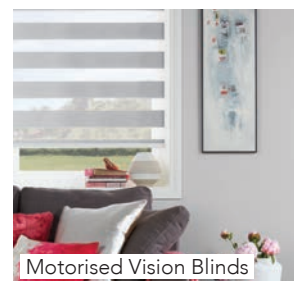

FOR ROLLER, ROMAN AND VISION BLINDS

An **innovative** new range of battery operated and mains powered window blinds that showcase numerous **benefits** for you and your customer. The Louvolite® One Touch™ range makes motorisation **accessible** to a wider market, whilst offering you enhanced **sales** and **profit potential**.

KEY BENEFITS

- Innovative yet affordable contemporary technology for the modern home and office
- Child safe as operating cords and chains are no longer necessary
- Simple, convenient and easy to use
- Operated by either a unique wand that hangs neatly next to the blind, or a remote control that can be used anywhere in the room.
- Straightforward assembly enables blinds to be made quickly
- Easy installation of battery operated solutions removes the need for mains wiring
- Streamlined design for enhanced aesthetics
- Mains powered systems are also available for large domestic or commercial installations
