Global Cargo Management

Formed in 1987, Hawk Freight Logistics is a specialist logistics provider. We have privately owned premises in London and Dubai as well as an established network of partners across the world.

With our “can-do” attitude and flexible approach, we provide tailored solutions specific to our client’s needs.

We are leaders in personal cargo management concepts and pride ourselves in delivering a service that delivers beyond expectations.

We see our clients as partners, ensuring that we completely understand their business and therefore offer the most effective and relevant solutions.

We provide a full range of logistical services which are delivered by expert, experienced staff with the knowledge and skills that will maximise the efficiency of any supply chain.

Hawk can offer comprehensive multi modal services that include warehousing, transport and logistics:

- > Air, Ocean, Road, Courier Services
- > Storage & 3PL Fulfilment Solutions
- > CFSP & Approved Bonded Warehouse
- > Highest Standard of Sophisticated Security
- > HMRC Liaison & Trade Compliance Advice
- > Duty Deferment Facility
- > Crowdfunding & Supply Chain Fulfilment
- > Reverse Logistics & Quality Control
- > Scanning & Labelling Solutions
- > Dedicated Account Managers available 24/7
- > Consistent, Flexible and Responsive Support
- > Authorised Economic Operator (AEO) approved

From small start-up organisations to international corporations we are privileged to have close working relationships with all of our clients.

Please see overleaf examples of why our clients continue to choose Hawk as their logistics supplier...

- > Courier Service for Parcels and Mail
- > Locked Down & Sat Tracked Vehicles
- > Specialists in Time Sensitive Secure Transport
- > Monitored Airline Collections
- > Flexible Container Transport
- > POD provided
- > 24/7 Availability

Vulnerable Goods

Since 1999 Hawk have provided a specialised and dedicated division devoted to the movement of goods that have a higher risk attached to them. Security is key when moving any freight but when the goods you are handling are more susceptible to theft then security becomes even more important.

In order to ensure the very highest levels of security, Hawk have taken a number of steps that will deliver peace of mind to our customers:

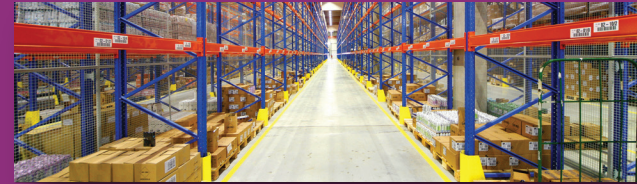

- > Hawk are TAPA grade A compliant
- > Hawk are members of APLN
- > Secure purpose built freehold premises
- > 24hr Security Procedures
- > Dedicated inspection areas
- > Experienced Security Conscious Staff
- > Sophisticated CCTV System

With this commitment to your goods security, you can be confident that your vulnerable goods will be kept safely under our wing.

3rd Party Logistics

Hawk Freight recognises the need for a flexible warehouse solution tailored to customer need and covering all aspects of stock holding, inventory control, accurate and efficient order management and appropriate onward transportation management. Hawk can provide complete supply chain management and we can also offer a full pick & pack service, whilst keeping a keen eye on waste elimination. We offer an extensive range of resources and we continuously maintain a pro-active approach to customer service.

- > Secure Storage and Distribution
- > Pick & Pack Fulfilment
- > Stock Inventory Management
- > Barcode Scanning and Labelling
- > Reverse Logistics & WEEE Disposal
- > Quality Control of new products and packaging
- > Dedicated Account Managers
- > Static Insurance
- > CFSP & Approved Bonded Warehousing

Hawk Testimonials

FASHION FABRICS

Daud Ismail - Managing Director

"We were drawn to Hawks exceptional reputation for logistics solutions in the Fabric industry. We are in a fast moving responsive business and we can expect shipments 24hours a day – this is not a problem for Hawk. Their knowledge and understanding with our business requirements, results in an effective solution which can react quickly and efficiently to the demands of the world of fashion"

TAKE 2 INTERACTIVE

Anthony Dodd - Group Operations Director

"In selecting a logistics partner for the high precision launch of Grand Theft Auto 5, we had to ensure that our partner could execute some very exact and stringent criteria. Vital to a successful launch of this game was timing, security, communication and discretion. We needed a Company we could trust absolutely to protect the integrity of the launch, to deliver product securely and on time not early not late. Hawk Freight Logistics promised and delivered the infrastructure to provide the service we required with professionalism to support our business aims and objectives, the launch was an amazing success"

ROTH AV

James A. Roth - Founder

"Hawk provide a complete and efficient logistics solution to Roth. Their innovative approach and complete multi modal experience means we can focus on our core business knowing that all matters relating to product warehousing and 3rd party logistics will be professionally fulfilled"

CONTINENTAL

Greg Wingfield - Operations

"We needed a business partner who could not only store our product securely but also organize the importing of our goods and the day to day fulfillment of our customer orders. By providing a complete solution we take advantage of efficiencies and service standards. We would recommend Hawk to any business looking to be supported effectively and ensure a high standard of customer service"

RUBBER ROAD LTD

Ben Grant - Founder

"As a start-up company, we have required advice and support on a varied range of areas from shipping schedules to VAT regulations. Hawk Freight Logistics have always been forthcoming with knowledgeable advice and their expertise has proven invaluable to our business in these crucial early stages of trading"
