

Chinese Customs Regulations for consignments flying to South Korea (Version 2)

As you may be aware the Chinese Customs Authority has brought in new regulations for all airlines serving China directly and or transiting China to a non-Chinese destination such as those in South Korea.

To be compliant with the new regulations is not difficult if you following the instruction's below for issuing your shipping documents.

MAWB

The shipper's (as shown on the MAWB): -

- a) ID number (i.e. UK VAT no.)
- b) Telephone number
- c) Contact name

The consignee's (as shown on the MAWB): -

- a) ID number (i.e. the Korean VAT no. or corporate registered no.)
- b) Telephone number
- c) Contact name
