## GOOD FOOD & FINEST WELSH ALE

*Rhymney Brewery Limited is now based in Blaenavon, housed in a purpose built state of the art facility, the company which can trace its origins through a complex history of mergers and acquisitions to the "Rhymney Brewery & Co. Limited", a company which began trading in 1839 with Andrew Buchan as its owner/founder. By 1878 this rapidly expanding organisation delivered 12,500 barrels a year to the local market and also to its own 29 tied houses. With a reputation for quality welsh beer it continued to expand for over 80 years, finally being taken over in the 1960's by Whitbread, but not before it amassed a total of over 700 pubs in the Welsh valleys and beyond. Having resurrected the name of Rhymney Brewery the new company has again developed a reputation for quality Welsh Beer, made with traditional ingredients and modern methods. It has also started to build a stock of tied houses, one of which is The Railway Inn. Our commitment is to provide **Good Food and Welsh Ale** combined with a quality, friendly service. Please allow your manager Cristian and his team look after you during your visit today.*
