

Solid Cast Polyurethane Pigs

www.ik-uk.com

Available in Sizes 2" through to 12"

IK-UK Solid cast polyurethane pigs offer the flexibility of foam pigs coupled with the rugged performance normally associated with mandrel pigs and are ideal for batching products over shorter distances.

Benefits:

- Lightweight
- Easy to launch
- Without any manufactured metallic components
- Easy to clean
- Capable of negotiating 1D bends
- Can accommodate pipeline restrictions of up to 20%

Options available:

- Transmitters or magnets can be installed
- Now available in High temperature polyurethane for service up to 130°C
