

The Cambridge Szeged Society

The Cambridge Szeged Society exists to support the social & cultural side of the twinning arrangement with Szeged in Hungary, which was signed in 1987.

The Society runs an annual programme of concerts, raising the profile of Hungarian classical & folk music, and occasional art, coin, (and currently) embroidery exhibitions, and seeks to raise awareness of the rich Magyar culture, arts & cuisine.

Membership of the not-for profit organisation is free.
