

WHO WE ARE

CS2 are a leading commercial building and cost consultancy practice to the property and construction industry, and have been advising investors, developers, occupiers and owners for 20 years. We aim to become our clients' trusted advisor.

CS2 was formed in Northampton 1999 by a small team of building surveyors who had a vision to deliver an unrivalled and innovative service to clients. We have built a broad and exciting range of projects across the UK and Europe and have grown significantly with a network of offices in Birmingham, Bristol, London, Manchester, Milton Keynes and Northampton.

WHY YOU SHOULD WORK FOR US

At CS2 we aim to be the employer of choice and want you to choose to be part of CS2.

We look after you and promote well-being throughout the business, helping you to maintain a healthy lifestyle. We actively encourage charity sporting events and fresh fruit is delivered every week. Employee engagement is paramount, which is why we provide team building, networking events, training, mentoring and company benefits.

We listen, welcome and respect your personal values but promote and defend our own. We respect personal contribution along with self-identity and opinion.

We are honest and constructive in our feedback, appreciate and recognise excellent work and maintain integrity. We operate an open-door policy and work on building mutual trust in order to create strong relationships.

We strive to be inspirational, taking ownership of what we do and making a difference. Everyone is empowered to think and act innovatively. We promote the sharing of resource and exciting new ideas and widely encourage teamwork.

CS2 adheres to its values and continue to grow as a successful business because of its culture:

- Communicate Effectively
- Work Collaboratively
- Reflect
- Excellence
- Have Perspective
- Commitment

If this sounds like you, we would love for you to work with us to uphold our culture and be a part of a business that consists of outstanding talent and business that you can be proud to work for.
