

We are committed to always working to the highest standards. This is reflected through the attainment of accreditations, certificates and registration with a number of organisations which includes:-

Certificate No: 7992

We have been awarded the ISO 9001:2015 Quality Management Certification by UKAS. The accreditation is one that we are particularly proud of as it demonstrates our commitment to providing the highest quality customer service to our clients.

We are a proud member of our Federation which ensures the continual improvement of the industry through training, monitoring and policing of best practices

Our Achilles Accreditation demonstrates our dedication to providing a quality service to all our clients in conjunction with our ongoing commitment to being a safe, socially and environmentally responsible contractor

At the heart of what Constructionline do is their national online database, one of the UK's largest register for pre-qualified contractors and consultants. In terms of efficiency, time, cost saving and best practice, Constructionline is proven to deliver for public and private sector organisations alike.

CHAS has established itself as one of the market leaders for health and safety pre-qualification in the UK. It is a non-commercial scheme available to both suppliers (those who provide goods and services) and organisations (buyers) looking for suitably competent suppliers.

CQMS Limited is a Registered Member of the Safety Schemes in Procurement Forum (SSIP) and is dedicated to promoting higher health and safety standards within industry. Membership of our Safety-Scheme ensures companies are assessed in accordance with the SSIP Core Criteria.

SMAS is a member of Safety Schemes in Procurement (SSIP). They are a H&S Assessment organisation that takes great pride in their professionalism, customer service and efficiency
