SAVE TIME AND REDUCE NON-COMPLIANCE RISK

With Jagged Peak’s Merchant of Record solution you can reduce workload and minimize financial risks when processing payments. We’ll leverage our enterprise commerce software, EDGE, to run tax calculations, connect payment gateways and manage orders. Our team of experts have in-depth knowledge of tax, legal compliance and credit fraud to reduce liability and safe-guard client data.

MERCHANT OF RECORD SERVICE CATEGORIES

An array of administrative responsibilities are handled by our specialized teams, including:
