Dear Mr Cleary,

**AUTHORISATION OF SRL SIGNAL CONTROLLER (PED1)
DESIGN AUTHORITY'S SIGNED DECLARATION OF CONFORMITY -
LETTER OF ACCEPTANCE**

Thank you for providing your signed Declaration of Conformity dated 2 January 2007, referenced SRL AP03 712 affirming that the signal controller meets the Secretary of State's requirements limited to those in the signal controller Technical Requirements Specification TR2503B (Performance Specification for Pedestrian Facilities at Temporary Stand-alone Traffic Signals) in accordance with the self-certification procedures defined in TRG 0600A.

Accordingly, this letter and the appended copy of the signed Declaration of Conformity together formally confirms the Secretary of State's approval, in accordance with the Traffic Signs Regulations and General Directions 2002 (TSRGD 2002), for the purposes of allowing lawful use of the above referenced signal controller on the public highway. It is noted that in the Declaration of Conformity the Product Title is nominated as "Pedlight" but we understand that the Declaration relates only to that part of the Pedlight system which is the signal controller. Accordingly this approval is applicable to the signal controller part only, not the whole system known as Pedlight.

The signal controller part is approved for the purpose of controlling light signals, which shall conform to Regulation 33 and Regulation 47 and any other relevant Regulation and Direction in TSRGD 2002.

Yours sincerely,

Mike J Smith
Safe Roads Operations Group
