#### ACCESS ANYWHERE

Track your fleet from anywhere with internet access.

*Get the Android or iPhone app free. Get real-time locations and alerts immediately.*

#### DISPATCH EFFICIENCY

Datablaze saves time and money, and increases dispatch efficiency.

*Get the most out of your technicians with the most effective service dispatch solution available.*

#### AMAZING REPORTS

We offer subscriptions that send the reports you need directly to your inbox.

*Tired of digging through data to find the information you need? Dig no more!*

#### WHAT IS IT?

The NightOwl plug-and-play OBD tracker is an economical, full-featured vehicle tracking product designed for easy and reliable installation in automobiles. Get real-time tracking, ignition sensing, vehicle diagnostics, and much more. If that's not enough, find comfort in the fact that your NightOwl operates on America's fastest, most reliable network.
