Hand-guided outline quilting

and specialist quilting options

Own the ultimate – an outline quilted creation, crafted by hand and each one unique.

Established for over twenty years as the leading bespoke quilters to the interior design world, our team of highly skilled staff introduce texture and depth with stitch. Each fabric is treated individually and after careful selection of the hand-guided stitching line, enhanced with breathtaking attention to detail.

Sateen lining is standard on outline quilts and a range of specialist hand-finished edges is available.

Priced per square metre up to nearest 0.5m²
