World Book Encyclopedia 2019

The magnificent and best 22 volume print set written especially for 11 to 20 year old students

No other print encyclopedia is more up to date!

World Book provides authoritative, trustworthy and unbiased information. Ideal for classroom research projects, World Book supports the National Curriculum

Every year, World Book's editors refresh the encyclopedia by adding timely new articles and revising articles of continuing relevance. This set provides readers with a tangible experience that can help build a foundation for research skills. World Book remains the sole publisher of a print general reference encyclopedia which complements the company's digital publications and nonfiction titles.

World Book combines technology with traditional editorial excellence to produce authoritative, trustworthy and unbiased information. The content is carefully selected and meticulously written to be easily understood. Illustrated with attention-grabbing photos, useful diagrams and maps, the books are designed to engage even the most reluctant reader. This collection of resources kindles a lifelong learning habit for every reader. World Book's adherence to clarity, currency and accuracy make World Book's print publications an information necessity in the classroom, library and beyond.

Teachers and librarians consistently rank World Book Encyclopedia as the best general reference source for **Upper KS2, P7-S1, through to FE**. World Book's 3800 editors and expert contributors are the very best in reference publishing. They believe it isn't enough to be knowledgeable in their subject; they also have to be able to write articles that are easily understood.

Apart from being able to answer almost any query a student may have, here are some more reasons why it is the best for 11 to 20 year olds:-

*"An outstanding, beautifully illustrated, general reference source.....offering **high-quality, current, accurate information** in an attractive package, World Book continues to be a first choice for libraries, schools and homes"*

*"A must-have for all school libraries
Highly recommended without any reservations"
