'Feeding your enjoyment with indulgent flavours from around the world'

This sentence not only captures the vision of Empire Bespoke Foods, but brings together 3 very important words to me personally:

Enjoyment - It's important to me that we have products that all our customers can take enjoyment from. I believe that through fun, interesting ranges we can inspire everyone to try something different.

Indulgent - Whether your idea of indulgence is sweet or savoury there is something for everyone in this new catalogue. We work daily to keep our prices competitive, but we NEVER compromise on quality. From the most authentic American sauces, to the finest quality Madagascan chocolate, our aim is to make indulgence & quality as important to the UK consumer as price.

Around the World - We currently source from 5 continents and hope to make that 6 continents in the future. Our marketing team are continuously reviewing new trends and flavours so we can offer you new & exciting food and drink, or simply a new flavour in an established range.

We're making it our mission to inspire your loyalty by importing, distributing and developing the finest, most authentic food and drink brands from around the world. As one of the largest fine food importers and distributors in the UK, I am committed to ensuring we value all of our customers, provide 'best in class' service and offer products that will inspire everyone.

As part of this commitment to 'inspiration' our new 2016/17 catalogue continues to offer old favourites, along with some very exciting new ranges, look out for the 'New' stickers as you're browsing.

Our new website, www.empirebespokefoods.com has completely changed the way we show off our ranges. Choose to search by category, by brand name or simply search by continent. There is more detailed information on all our suppliers, 'Product Information Sheets' to answer your questions and if you simply need to speak to someone, request a call back or 'Contact Us' and we'll be happy to help.

Register to the site during May '16 and you'll be entered into the fantastic prize draw. Registering also ensures you're amongst the first to receive our monthly promotions and enables on-line ordering. We believe we've got a great site, but we're always open to ideas that make it better, let us know what you think!

In the coming year we plan to attend a number of food shows, details of which will be posted on our website. Our next show is Speciality Fine Food show in London, also IFE in 2017, a great opportunity to meet face-to-face with us, discuss ways to develop and support your business and discuss NPD. I attend every year and it would be a pleasure to host you on our stand.

In summary, we want you to be as excited and inspired by our products as we are, so our commitment to you is that we'll always offer:

1. The finest, most authentic, food and drink from around the world
2. Multiple ways to contact us and place orders
3. Best in class customer service
4. Outstanding order accuracy and delivery

Thank you for working with us and I look forward to growing with you in the coming year.

Kindest Regards,

Chandresh Patel

CONDIMENTS SAUCES & BBQ

We have a great selection of products from leading brands such as Jardine's, Briannas and Delouis. French's and Frank's Redhot have extended their ranges this year and we have also introduced a new BBQ spray range Turci.

BEANO'S

Everything started when the brothers Jim and Bill founded Beano's restaurant in 1985, just outside of Pittsburgh. The menu consisted of pizza, submarine sandwiches and Italian entrees. In 1989, a customer suggested they should sell their submarine dressing to grocery stores. Since then, Beano's has become America's best-selling deli condiments. Great tasting, high quality sauce with unique and easy to use packaging. Live, Love, Get Sauced!

BEIGEL & BEIGEL

Beigel & Beigel originated from a small family run bakery in the 1880's. The Beigel family are based in Israel and use special secret recipes which have been kept by each generation. The family strictly kept to these recipes and were careful to pick only the finest ingredients, proudly baking their pretzels and salty snacks.

PEANUT BUTTER & CO

Peanut Butter & Co started in 1998 as a little sandwich shop in Greenwich Village, New York City that served nothing but peanut butter sandwiches. The Old Fashioned Smooth and Crunchy peanut varieties are made with just peanuts and a touch of salt. As a result, separation is natural and stirring is essential before use.

If you have an agreed credit account with Empire Bespoke Foods, settlement of all invoices must be made as per agreed payment terms. Empire Bespoke Foods reserves the right to amend the terms of any credit account (including the credit limit) you have at any time at its absolute discretion. If you exceed, or the order to be delivered to you, will cause you to exceed, your agreed credit limit, or if you have invoices outside of agreed payment terms, Empire Bespoke Foods may decline to supply you until the excess amount over your credit limit has been cleared or overdue invoices have been paid.
