## EDUCATIONAL VISITS

At Critterish Allsorts, we pride ourselves on being professional, reliable and knowledgeable and on giving our customers a total value for money service.

We visit the following, to give educational presentations about our animals :

Schools

Child minders

Scout Groups

Nurseries

Parent & Toddler Groups

Children's Centres

Preschools

Brownie Packs

Special Needs

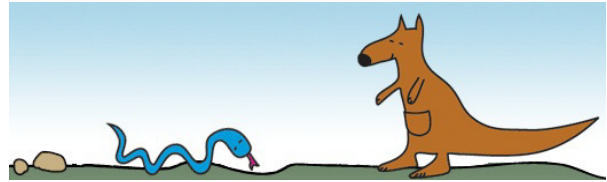

- We are CRB checked, fully insured, risk assessed and licensed by the county council
- Our presentations bring the 3 "F"s to your charges : Facts, Fascination & Fun!
- We have over 80 animals, from every continent and habitat in the world
- We can put together a bespoke presentation to suit your needs and requirements.
- One of the more obscure presentations we have handled was "Flights & Fantasy" for Years 5&6 - an art class.

A typical 1 hour presentation would involve :

- A selection of around 6 animals.
- Each animal would be presented individually,
- The facts about the animal would be explored, in relation to the lesson being taught,
- We would engage the children and involve them in learning.
- The students would then get the chance to hold and/or pet the animal before moving onto the next. animal - fully interactive experiential learning
- Critterish Allsorts will always leave a souvenir of their visit with the children - this is usually in the form of a colouring picture for children up to 7 or a worksheet based on their key stage for older children.
- A strict hygiene protocol is always followed during our visits, to ensure that the students maintain a good level of cleanliness.

Fun days  
Corporate

Fetes  
Open days  
Promotional

Fairs  
Fund raisers

Some of the organisations we have worked with : Odeon Cinemas, Frankie & Benny's Restaurants, Nickelodeon TV, Microcephaly Charity, Autism Support, Lichfield Golf & Country Club, Salvation Army, Wyevale Garden Centres

- We are fully CRB checked, insured, risk assessed and licensed by the county council
- Gazebo for outside events (Table would be required)
- Your event promoted through our own on line system
- Professional photographer available - additional cost may be levied
- Events tailored to suit your requirements
- Can combine arena presentations with static display if required at no additional cost
- Additional funds can be raised by our display, by charging for the experience of handling the animals
- Busiest stand at your event
- An attraction all on our own. If advertised in conjunction with your event, we can help you attract more visitors
- All of your visitors will leave with a smile and a lasting memory of your event - encouraging them to look forward to and attend your next one

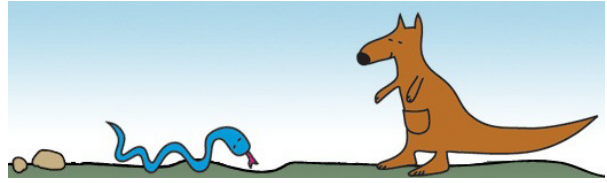

A typical event display would involve :

- A selection of around 5 or 6 animals.
- Animals would be displayed by our qualified staff, attracting visitors to the display
- Visitor questions handled by our knowledgeable team
- Engaging visitors through interaction with the animals
- Educational and interactive presentations given to smaller groups of people, in an arena or purpose selected room or area (the organiser can charge a fee for this service)
- A member of our team will actively seek to attract visitors to our stand and scheduled activities (usually by walking around the event with one of the animals)

All funds raised via our event display are kept by the event organisers.
