

LabVantage Express

Run your lab more efficiently by using LabVantage Express to store results and manage work.

LabVantage Express makes LIMS functionality available to quality control and analytical testing labs that want to go live quickly in a cost-effective way.

Is LabVantage Express Right for You?

Are you slowed down by your current paper or Excel-based systems?

LabVantage Express increases laboratory efficiency and increases overall quality.

Are you looking to implement a system rapidly?

LabVantage Express allows for faster implementation with little configuration setup.

Do you run a quality control or analytical testing lab?

LabVantage Express is an ideal fit as it comes complete with standard workflows and functionality.

Are you looking for standardized reports and dashboards?

With LabVantage Express, standardized reports and dashboards allow for easy report generation and query visualization.

Are you looking for an out-of-box system with standard functionality for your lab?

LabVantage Express comes pre-configured with standard laboratory processes making it easy to use.

Are you looking to reduce manual data entry?

With LabVantage Express, instruments can feed results directly to the LIMS for increased efficiency.

All the Capabilities You Need for Your Lab

Request Management

Manage all information related to customer orders

Sample Management

Manage sample lifecycle from login to disposal and import/export samples

Analytical Quality Control Sample Management

Perform AQC to ensure accuracy of results

Approvals

Approvals can be performed on analyses or samples

Reporting

A number of predefined reports are available

Statistics

Graphical presentations and statistics available

Data Management

Define master data and connect instruments for automatic data entry

Queries & Dashboards

Create your own pre-defined searches and monitor lab operations using a single view

Invoicing

Invoice requests and samples

About LabVantage

LabVantage Solutions, Inc., the leading global laboratory informatics provider, is headquartered in Somerset, NJ and has offices around the world. LabVantage's industry-leading solutions and world-class services are the result of 35+ years of experience in laboratory informatics.

LabVantage offers a comprehensive portfolio of products and services that enable companies to innovate faster in the R&D cycle, run labs more efficiently, improve manufactured product quality, achieve accurate recordkeeping and comply with regulatory requirements. LabVantage serves thousands of labs across the globe from industries such as pharmaceutical, biotech, food & beverage, chemicals, CPG and more.
