Marketing Kiosks: Elegant Product Display and Demo Stations

Meet all of your objectives with a host of graphics, lights and accessories that are easily repositioned.

Sturdy shelves are available in a variety of shapes and finishes to support product.

A breeze to install, graphics are attached directly into the slot for a clean look. Most kiosks fit in a single case with wheels.

Skyline marketing kiosks have it all; style, versatility and integral graphics for an impactful brand presentation. Interactive demonstrations are easy with our sleek notebook computer case that is secure and ventilated to protect components.
