ASHVILLE
◆ FOUNDATION ◆

We are delighted to launch the Ashville Foundation. This Foundation has been set up in order to provide bursaries to future generations. Ashville College is currently providing financial assistance through bursaries to 29 pupils, and these talented individuals add to the rich community at Ashville College. We are keen to extend this assistance so more individuals can benefit and contribute towards an Ashville education.

Our aim is to raise as much as possible in the short term to assist parents in this difficult economic climate. We are planning a wide range of activities and donor schemes, which we hope will be supported by Old Ashvillians and others who are aware of the benefits an Ashville education has to offer.

In the words of a parent of a current bursary receiver

"For a child from a single parent family in one the most deprived wards in the UK to be given the opportunity to develop in an environment like Ashville is the stuff of fairytales. Watching the transformation at Ashville has been a Cinderella story. Without the Ashville Bursary none of this would have been possible and I am eternally grateful for the input, care and commitment that the Ashville College community abundantly give."

We do hope you are able to contribute to the Foundation and ask that you complete the form overleaf.

Yours sincerely

Peter Holt, Trustee
