

Setting up your Gift Lexi Membership online

Your super thoughtful 'giftor' has paid for a year's worth of treats, discounts and, of course, lovingly curated cinema. Your fun begins once you set up your membership, as normal, using your **Voucher Code** as payment. You're *in like Flynn* then; you can start enjoying benefits immediately.

Let's get you enlisted!

1. On the homepage – www.thelexicinema.co.uk – click on the **Membership** tab at the top.
2. Click on the "Click here to join securely" link, upper right. (Online shortcut [here](#).) Then click on the appropriate membership: Single, Joint, Senior, etc.
3. **If you're new to us** - welcome - complete your details to set up a customer account. (For Joint Memberships, both people will need accounts.) **If you're already a customer** and have log in details - well done - log in now.
4. On the **PAYMENT – ORDER DETAILS** page, **enter the Voucher Code where asked** and then **CONFIRM** at the bottom of the page. (The Voucher Code looks like this: V - 123 – ABC – ABC.)
5. **Your membership is now active.** No problem that you don't have a card yet; we don't post these out, but you can collect it from the Box Office next time you're in.

Alternatively you can pop into the cinema or give us a ring on the booking line - 020 3011 5523 - and we can set up the membership for you. Please have your Voucher Code to hand.

We look forward to seeing a lot of you!
