

OMI ENVIRONMENTAL & SAFETY PRODUCTS

For over 40 years, OMI Environmental Solutions (OMIES) has been a leading manufacturer and supplier of oil recovery equipment. Our skimmers have become a large part of many industries from the oil field to food processing, and can be found in diverse industries worldwide. In 2007, we recognized the need of our customers to be able to purchase their environmental and safety products from one vendor, and developed the OMI Environmental & Safety Products (OMIESP) division. In order to make purchases more efficient for our customers, we have now launched our

new e-commerce website with over 10,000 products from hundreds of manufacturers:

WWW.OMIESP.COM

OMIESP has one of the largest distribution warehouses (50,000 square feet) in the Gulf Coast area. Our commitment is to ensure that our customers' needs are met with quality products and outstanding service at an affordable price. We strive to have the products our customers need, when they need them.

AREAS OF DISCIPLINE INCLUDE:

- Absorbents
- Cleaning and Janitorial Supplies
- Drums and Secondary Containment
- Industrial Supplies
- Oil Skimmers
- Safety Supplies and Equipment
- Spill Kits and Spill Containment

OMI Environmental Solutions (OMIES), a leader in oil spill response for over 40 years, has a well-respected, experienced team of professionals with the expertise to resolve all of your environmental and industrial service needs. Our integrated oil spill, hazmat, industrial, standby rescue, waste management, disposal, transportation, environmental consulting, and training services, along with our extensive line of environmental & safety products, provide you with a safe, timely, turnkey solution every time.

A reputation in oil spill response... A future in environmental solutions.
