

Williamson-Pultneyville Historical Society Newsletter

January/February 2019 Volume 9, Issue 1

From Our President

As we begin the New Year and I assume the role and responsibilities as President of W-PHS, I would like to extend words of appreciation to Jackie Walker, our outgoing President, for her many accomplishments on behalf of the society. Jackie has been involved with the society in many capacities over the years and we have much to thank her for. Jackie is our 2019 Recording Secretary, and we look forward to her continued involvement, support and guidance.

Thank you to the membership for your vote of confidence in me as your new President. I am excited and look forward to guiding W-PHS in its important work in the community. We have a strong Board of Trustees and Standing Committees that remain committed to collaborative efforts that support our mission and maintain the properties and archives entrusted to our care. In addition, it is my hope that with a focus on education and outreach, we can strengthen ties within the community and encourage others to join us in our efforts. To that end, invite and encourage your family, friends and neighbors to join our organization.

Throughout the year, please refer to our website at www.w-phs.org and to our Williamson-Pultneyville Historical Society Facebook page for program and event information. Know that with open arms we welcome volunteers and look forward to the participation of our members, and others, who may have an interest in volunteering. Just as it takes a village to raise our children, it also takes a village to support our not-for-profit organizations such as W-PHS. Should you be interested in serving on any of our standing committees as outlined elsewhere in

this newsletter, feel free to contact me.

2019 promises to be an exciting year and please know in advance that we have much to do that will require your support. The society will soon be undertaking both roofing and handicap access projects at Gates Hall, and under the leadership of Cheryl Kline, our Vice President, W-PHS will be launching a strategic fund-raising campaign to support these efforts in the very near future. As you know, Gates Hall is the second oldest little theatre in the United States in continuous operation, and we must maintain its structural integrity and access so that all may continue to enjoy it.

Remember that many hands do make light work . . . and we hope to see you in 2019 whether it may be at a program or volunteering at an event. Though it's only January, Homecoming plans for July 19, 20 and 21 are already well underway for our 2nd annual Quilt Show, Open Air Marketplace and our Homecoming Parade. We have important work to do and let's have fun doing it together!

Thank you in advance for your continued support; and if should you have any comments, questions, suggestions or concerns, I am just a phone call or email away. I can be reached directly by calling or texting **315.589.8873** or by emailing president@w-phs.org.

Regards,

Nanette P. Hance, President

February Program

The Williamson-Pultneyville Historical Society Programs of 2019 begin with the traditional Dutch Dinner on February 6, 6:30 p.m. at the Pultneyville Reformed Church. Members and guests are asked to bring a Dutch (or not) dish and table service to this potluck meal. Beverages will be provided. Following the meal and fellowship, we will be treated to a church sermon from the past as Reverend William C. Walvoord, of the Pultneyville Reformed Church from 1925 to 1944, comes alive thanks to his grandson, Bill Walvoord.

Bill and his wife, Brenda, recently moved to Pultneyville from Texas. You may have heard Bill preach one of his grandfather's sermons at the October 2018 Cemetery Tour.

Hear Rev. Walvoord again or hear him for the first time, but come and enjoy the evening as we celebrate the area's Dutch heritage. All are welcome.

March Program

The Williamson-Pultneyville area is known for abolitionists, ship captains and conductors on the Underground Railroad. **But**, did you know that we had a well known children's book illustrator spend some time in Pultneyville? Join us at Tom and Lorraine Dawes' home, 7825 Jay Street, Pultneyville, on March 13 at 7 p.m. to hear Kim Iraci, Williamson Free Public Library director, speak about Eloise Wilkin, illustrator of Golden Books. See the room where Wilkin did her work.

All are welcome and encouraged to bring books illustrated by Eloise Wilkin.

Hibernation Time for the Grounds

Thanks to early snow and lots of rain, the leaves didn't get raked this year. I will try and send out a notice in the spring to see if we can gather the local helpers to do an early clean up. In the meantime, the grounds gardening group is staying warm inside dreaming about spring blossoms.

In the heart of winter, some Monday in February, the group will get together for coffee at the Deli to plot and plan and get caught up on all of our winter adventures. All are welcome and the coffee is on Lynda!

If you've been considering coming to help on the grounds in 2019, our coffee meeting is a perfect time to meet all of the hardy gardeners. No one is expected to come every Monday from 9-10 a.m. because we all have busy lives. We never garden in the rain; and as a group, make the gardens look amazing! This spring there will be many new flowering bulbs that we planted in the back gardens. If you'd like to join us for the February coffee break, send your e-mail or phone number to susser1@yahoo.com, and I'll let you know when we pick a date.

Stay Warm,
Lynda Parmelee

MEMBERSHIP

Happy New Year everybody! Membership continues to grow. We are beginning 2019 with 146 members (114 individual memberships and 32 business memberships).

We began work on the 2019 membership drive back in October. Public announcements were placed on Facebook and in local newspapers. We sent informational letters to new residents in the town of Williamson. We contacted past members of W-PHS inviting them back. We are in the process of contacting many more of our local businesses to invite them to join us as business members.

We need your help as we begin 2019. It is important we reach out to many more families in the Town of Williamson. We know that in today's fast-paced world family members are busy pursuing careers, furthering their education, attending their children's activities, and trying to squeeze in a social life. So, it is understandable to hear, I just don't have time to actively support an organization. Membership does not require attending meetings or serving on committees. Memberships support the goal to preserve our history, whether its cataloging archives, maintaining historic landmarks like Gates Hall, providing historic programs, and so much more. So, please continue speaking to friends, neighbors and family members about the importance of supporting W-PHS. In addition, if you have any suggestions on how we can reach more people, we would love to hear from you. Please give us a call at 315-904-4220 or stop by to chat with us at 4187 Foxwood Drive in Pultneyville. We would love to talk with you!

Membership renewals are continuing to come in. As a fun incentive, we held three monthly drawings from our membership renewals.

October's winner was Andrew & Nicola Dougherty for a \$10 gift card for the Copper Ale House

November's winners were Irene Bierer for a \$10 gift card for Konstantinou's Restaurant and Brick Oven Sports Bar and Diane & Linus Osborn for a \$10 gift card for Konstantinou's Liquor

December's winners were John & Carol Salce for a \$10 gift card for Konstantinou's Restaurant and Brick Oven Sports Bar and Craig & Susan DeNagel for a \$10 gift card for Konstantinou's Liquor.

Thank you to Prodrimos Konstantinou for his donation of Konstantinou's gift cards and thank you everybody for your membership renewals!

Grant Awarded

The Hoffman Foundation generously awarded a \$900 grant to W-PHS for restoration of the W-PHS trolley.

The trolley was built in 1983 by George Shoales, now deceased and who was a past president of the Society. In May of that year, it was used for the first time in the Williamson Apple Blossom parade. Since then, the trolley has been part of Apple Blossom and Pultneyville Homecoming parades.

The Society greatly appreciates the award and thanks the Hoffman Foundation for this grant.

From the Archives

We just unearthed this *Constitution and Records of the Moral Society and Free Enquirers, Pultneyville*. Since we recently enacted a new set of our own WPHS By-laws and Articles, this makes a thought provoking 180-year comparison, the purpose being different, of course.

Dr. David C. Higgins wrote this; and in its brevity, began a personal journal upside down in the front of the same book. The Archives Committee would be happy to learn more about him, if anyone can add additional information. For example, he was born in Massachusetts, so when did he arrive here? He mentions an apothecary. Was it in Williamson or Pultneyville? Did he have a third wife?

I think it is one of our most wonderful treasures in its ability to help envision what was transpiring in 1838 on a local level. His spellings and abbreviations prevail. (Below, printed as written.)

Irene Bierer
Archives Committee

The Constitution and Records of The Moral Society and Free Enquirers, Pultneyville

Whereas a general diffusion of useful knowledge is important to the welfare and happiness of mankind: And whereas most of the evils and misery of the human race have originated in error of opinion: And whereas in our opinion the truth on all important subjects should be sought for, and that all our opinions as far as practicable, should be founded on the basis of certainty: and whereas the truth is more likely to be elicited by an untrammelled free inquiry into, and a free and fearless discussion of all controverted subjects: we therefore organize ourselves into a society, for the laudable purpose of seeking and diffusing useful knowledge, the establishment, of truth and eradicating error and agree, for our better regulation to adopt the following constitution.

Article 1st The name of this association shall be the Moral Society of Free Enquirers of Pultneyville.

Art 6th A good moral character shall be the only qualification required for admission – and gross

immorality shall subject any member to expulsion.

Art 7th Each member shall be subject to an annual tax not to exceed one dollar, which is to be appropriated to the purpose of defraying the necessary expenses for repares (sic) and such of the house used by the Society.

Art 8th The board of directors are authorized to rent a house for a given number of years for the use of the Society and to appropriate the money to be raised by a tax to the purpose of paying the rent and keeping the same in repair.

Art 9th The building they rented shall be open at all times to a free discussion of all or any subject not of an immoral tendency – and no lecturer or preacher shall be excluded therefrom on account of his religious opinions.

At the first annual meeting held May 27, 1838, the following officers were unanimously chosen viz

D. C. Higgins, President
Zimri Waters, Vice-President
And. Cornwall 5th Secretary
___ A. Phelps, Treasurer
H. T. Allen -
D. C. Bush -
Wm. Waters Jr. - Trustees
Myron Whipple -

Happy Valentine's Day to All!

The history of St. Valentine's Day is somewhat a mystery. It contains both Christian and ancient Roman tradition.

The Christmas Card that Traveled through Time

I heard this sweet story from Linda Perkins and loved how it unfolded. So, below is the tale of the traveling Christmas card.

Sandy Zeman

Linda Perkins . . .

I believe I found the 1912 (?) Christmas card in a box lot obtained at a local auction (perhaps Van's in Marion) approximately 20-25 years ago. I had looked at the card many times and thought about whom to send it to...just the right person who might appreciate it's sweet, Christmas sentiment. I also wanted it to be someone who appreciated history and the care that it often required to write a personal note on the back.

When I came to Irene's name on my Christmas list this year, I was sure that I had finally found the perfect person. Irene Bierer, our dedicated archivist, would surely want to know more about this "sender from long ago." Little did I imagine that her research would lead to such an amazing discovery and personal connection!

Irene Bierer . . .

The dearest item slipped from within a Christmas card that I received this year – *another Christmas card* - from another time period.

Linda Perkins, (being very dear herself), was moved to send to my history-loving heart a precious envelope

postmarked "Wallington, Dec. 19, 1929, A. M." It was mailed with a 2-cent stamp!

Wanting to peruse this missive even more closely than most, I hadn't put it into the little Christmas sleigh with other welcomed greetings. It resided on the kitchen table, where I found myself enjoying it over and over for its antiquity.

I was once again taking pleasure in holding the 90 year old card, admiring both the simple monochromatic snowy scene and the delicate feminine handwriting of "E. J. Duncan, 1929," when it struck!!! My heart skipped several beats as I sat bolt upright thinking, "Duncan, Wallington . . . oh, my goodness, friends Charlie, Rob, yes, my daughter's friends, Deb and Billy . . . Reita . . ." I began to picture a house on Morley Road.

My mind went wild with searching out "E. J." - then her relatives. Sure enough, the image I had conjured of a lithe young woman stepping into the Post Office nearest her home came to fruition. I actually had known her nephews, niece, grandnephews, grandnieces, on and on. She quickly became Aunt Eva J. Duncan, who sat down so long ago to sign the darling Christmas greeting at age 27.

She married two years later to John Fuller and still lived with her parents, at least for a few years. While I certainly hope her life was full of joy, she could never have known the thrill of *all* recipients of her 1929 Christmas greeting.

November Program Recap

The W-PHS Harvest Dinner and Annual Meeting was held at the Pultneyville Reformed Church on November 7. After a delicious potluck dinner, members of the YouTheatre cast performed a preview of their upcoming musical, *No, No, Nanette*.

The annual meeting followed, including the presentation of the Volunteer of the Year award to Nan Hance for her creative leadership with 2018 Homecoming. Lynda Parmelee, who was recording secretary for W-PHS Board meetings for sixteen years, received an appreciation award.

Recap of Christmas Potpourri II Program

Christmas Potpourri II took place at Gates Hall on December 5 with a variety of town of Williamson residents performing a array of Christmas musical and spoken selections. Preceding this was an activity for the children who were present. They heard about the Dutch St. Nicholas, Sinterklass. As did Dutch children years ago, this group of children filled wooden shoes (generously loaned by W-PHS members and friends) with hay and carrots for Sinterklass' horse. Placing the wooden shoes out in the entrance of Gates Hall, the children came back into the hall to await Sinterklass and enjoy the program with their parents and other grown-ups.

Taking part in this year's "potpourri" were John Manahan, representing the Williamson Fire Company; Richard Baxter, representing the American Legion; and Alex Reid and John Addyman of the Williamson Sun and Record and Wayne County Mail staff. Adding musical selections were Thomas Dawes, Pultneyville "icon," representing the Pultneyville United Methodist Church and Lindsay Rynders, representing the Williamson Central School staff. The "choir" for the evening was everyone present, singing carols accompanied by Lindsay.

When the program was almost over, a loud knock was heard. The children, rushing to the hall entrance, returned with candy which Sinterklass had left in exchange for the hay and carrots for his horse.

The program concluded with a talk of the early history of Gates Hall by the only surviving founder of the historical society, John Westerberg, and a presentation of a gift to outgoing president, Jackie Walker.

Refreshments, organized by Bette Morley, and the collection of gifts for the Come-Unity Center brought the festive evening to a close.

The mission of the Williamson-Pultneyville Historical Society is to nurture and share the history of the township of Williamson through preserving and protecting select historic structures, landmarks, objects and written materials that reflect the unique heritage of this community.

Formed in 1964 and chartered in 1971, the Williamson-Pultneyville Historical Society has as its mission to nurture and share the history of the Township of Williamson through preserving and protecting select historic structures, landmarks, objects and written materials that reflect the unique heritage of this community.

The Society is located in a landmark dwelling known as the *Auchampaugh* home at 4130 Mill St. This house was built for Harvey Auchampaugh about 1858 by Russell Cole, a local blacksmith and builder. Rooms in the home contain exhibits, archived information, a gift shop and business office. The Society House is regularly open the third weekend in June through the first weekend in October, Friday through Sunday, 1-4 p.m., by appointment and throughout Homecoming weekend and during the Annual Community Garage Sale.
