Car Park arrangements

It will be fine to use the car park entrance in Llanthony Road for the concert in the morning. Please remember that this operates on a strictly one way basis and cars will need to exit through the side gate as usual.

For the afternoon and evening concerts you will need to use the main Harris entrance on Lilleshall Road which may mean moving your car if you are already parked in the Llanthony Road car park.

Raffle donations

Raffle donations are needed to raise extra funds for MMF. Bottles, toiletries, Christmas goodies, toys, books, food, unwanted gifts etc, etc. All items can be left in the Admin Office in the blue trug.

Instrument sale

Once again we are selling some ex-rental instruments. They will be sold "as seen" at very competitive prices. At the moment we have some recorders, flutes and guitars available.

Extra Rehearsal for MYCB

There will be an extra rehearsal for all players in Merton Youth Concert Band on **Monday** 12th December from 7.00-9.00 to work on the specially commissioned piece we are playing at the Royal Albert Hall.

Mince pies will be available to add to the festive cheer.

Raffle prize full of delicious treats.

With best wishes
