St George's Police Children Trust is a registered charity which aims to support Police families by helping to ease the financial pressures of bringing up children in the face of life changing circumstances. These circumstances could involve the loss of either parent (whether or not they are a Serving or Retired Police Officer) or the Police Officer parent being unable to earn an income due to illness or injury sustained on or off duty.

Support the Charity, and together we can help safeguard the future of our police officer's children. To be eligible for the Trust's benefit, officers must make a donation of 35pence per week.

If you are not currently making a regular donation to the St George's Police Children Trust and would like to do so, simply complete the details on the tear off slip below and on the attached direct debit mandate form and return both forms to the address below to process.

Please inform your family that you have decided to contribute to St George's Police Children Trust, so that they can access support should they require it.

All direct debits will be processed on the 1st of the month.
